Dear Directors

INDEPENDENT LIMITED ASSURANCE REPORT ON PROSPECTIVE FINANCIAL INFORMATION

INTRODUCTION

We have prepared this Independent Limited Assurance Report (the "Report") in accordance with our engagement letter dated 4 April 2023, on certain Prospective Financial Information of Centuria NZ Agricultural Property Fund Limited (the "Company") for inclusion in the Offer Register to be dated on or about 14 April 2023. The Independent Limited Assurance Report is to be issued in respect of the offer of ordinary shares in the Company (the "Offer") by the Company.

Expressions defined in the Product Disclosure Statement ("PDS") and the Company's Prospective Financial Information ("PFI"), a reconciliation of non-GAAP to GAAP financial information, and supplementary financial information ("PFI Supplementary Information") have the same meaning in this Report. This report is an Independent Limited Assurance Report and the scope is set out below.

SCOPE

Baker Tilly Staples Rodway Audit Limited has been requested to prepare this Report to cover the prospective financial information, set out in on pages 2 to 16 of the PFI, which comprises;

- Prospective statements of comprehensive income of the Company for the period ending 31 March 2024, the years ending 31 March 2025 and 31 March 2026;
- Prospective statements of financial position of the Company as at 31 March 2024, 31 March 2025 and 31 March 2026;
- Prospective statements of changes in equity of the Company for the period ending 31 March 2024, the years ending 31 March 2025 and 31 March 2026;
- Prospective statements of cash flows of the Company for the period ending 31 March 2024, the years ending 31 March 2025 and 31 March 2026; and
- Notes and assumptions to these prospective statements of comprehensive income, changes in equity, financial position and cash flows.

(hereafter, the "Prospective Financial Information").

The Prospective Financial Information is based on the directors' best-estimate assumptions as outlined on pages 6 to 16 of the PFI.

We disclaim any assumption of responsibility for any reliance on this Report or on the Prospective Financial Information to which this Report relates for any purposes other than the purpose for which it was prepared. This Report should be read in conjunction with the PDS and the PFI.

THE DIRECTORS RESPONSIBILITY FOR THE PROSPECTIVE FINANCIAL INFORMATION

The Directors of the Company have prepared and are responsible for the preparation and presentation of the Prospective Financial Information. The Directors are also responsible for the determining the assumptions that have a reasonable and supportable basis (as required in FRS-42 Prospective Financial Information issued in New Zealand) as set out on pages 6 to 16 of the PFI.

OUR RESPONSIBILITY

You have engaged Baker Tilly Staples Rodway Audit Limited to prepare a report which covers Prospective Financial Information for the period ending 31 March 2024, the years ending 31 March 2025 and 31 March 2026, including notes and assumptions, a reconciliation of GAAP and non GAAP information, and supplementary financial information included in the Disclose Register for the Offer which can be found at www.business.govt.nz/disclose, offer number OFR13511, referred to as "Prospective Financial Information".

Our responsibility is to express a conclusion as a result of our limited assurance engagement on the Prospective Financial Information in accordance with International Standard on Assurance Engagements (New Zealand) 3000 Assurance Engagements Other than Audits or Reviews of Historical Financial Information, issued by the External Reporting Board.

We have conducted an independent review of the Prospective Financial Information in order to state whether on the basis of the procedures described, anything has come to our attention that would cause us to believe that in all material respects:

- The Directors' best-estimate assumptions do not provide a reasonable and supportable basis (as defined in FRS 42) for the preparation of the Prospective Financial Information;
- The Prospective Financial Information was not prepared on the basis of the best-estimate assumptions;
- The Prospective Financial Information is not presented fairly in accordance with the recognition and measurement principles prescribed in New Zealand Financial Reporting Standards and other mandatory professional reporting requirements in New Zealand, and the accounting policies adopted by the Company disclosed in the Prospective Financial Information as at and for the period ended 31 March 2024, the years ending 31 March 2025 and 31 March 2026; and
- The Prospective Financial Information is unreasonable.

The Prospective Financial Information has been prepared by the Directors to provide investors with a guide to the Company's potential future financial performance based upon the achievement of certain economic, operating, developmental and trading assumptions about future events and actions that have not yet occurred and may not necessarily occur.

There is a considerable degree of subjective judgement involved in the preparation of the Prospective Financial Information. Actual results may vary materially from this Prospective Financial Information and the variation may be materially positive or negative. Accordingly, investors should have regard to the risks set out in Section 8 of the PDS.

Our procedures consisted primarily of enquiry and comparison and other such analytical review procedures we considered necessary so as to form the conclusion set out below.

These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than that given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion on the Prospective Financial Information.

REVIEW CONCLUSION ON PROSPECTIVE FINANCIAL INFORMATION

Based on our review of the Prospective Financial Information of the Company, which is not an audit, and based on an investigation of the reasonableness of the Director's best-estimate assumptions giving rise to the Prospective Financial Information, nothing has come to our attention which causes us to believe that in all material respects:

- The Directors best-estimate assumptions do not provide a supportable and reasonable basis (as defined in FRS 42) for the preparation of the Prospective Financial Information;
- The Prospective Financial Information was not prepared on the basis of the best-estimate assumptions;
- The Prospective Financial Information is not presented fairly in accordance with the recognition and measurement principles prescribed in New Zealand Financial Reporting Standards and other mandatory professional reporting requirements in New Zealand, and the accounting policies adopted by the Company disclosed in the Prospective Financial Information of the Company as at and for the period ending 31 March 2024, the years ending 31 March 2025 and 31 March 2026 in the PFI; and
- The Prospective Financial Information is unreasonable.

The best-estimate assumptions set out on pages 6 to 16 of the PFI are subject to significant uncertainties and contingencies often outside the control of the Company, the Manager and the Directors. If events do not occur as assumed, actual results achieved, and distributions provided by the Company may vary significantly from the Prospective Financial Information. Accordingly, we do not confirm or guarantee the achievement of the Prospective Financial Information, as future events, by their very nature, are not capable of independent substantiation.

INDEPENDENCE OR DISCLOSURE OF INTEREST

Baker Tilly Staples Rodway Audit Limited does not have any pecuniary interests that could reasonably be regarded as being capable of affecting its ability to give an unbiased conclusion in this matter. Baker Tilly Staples Rodway Audit Limited does not have any interest in the outcome of the Offer other than the preparation of this Report, a separate report in relation to a review of investor after tax return calculations and participation in the Due Diligence in connection with the Offer, for which normal professional fees are being received. We have no relationship or interest in the Company other than the capacities described above.

RESTRICTIONS ON THE USE OF OUR REPORT

The report is made solely to the Directors for inclusion in the Offer Register. To the fullest extent permitted by law we do not accept or assume responsibility to anyone other than the Directors for the conclusions we have formed on the Prospective Financial Information of the Company as at and for the period ending 31 March 2024, the years ending 31 March 2025 and 31 March 2026.

We disclaim any assumption of responsibility for any reliance on this Report or the amounts included in the Prospective Financial Information to which this Report relates for any purpose other than the purpose for which it was prepared. In addition, we take no responsibility for, nor do we report on, any part of the PDS or information in the Offer Register not specifically mentioned in this report.

Yours faithfully
