Key powers under the Trust Deed to change the terms of the Scheme

Set out below is a summary of our and the Supervisor's key powers under the Trust Deed. For more information, please see the relevant sections of the Trust Deed.

Note: The Manager, in accordance with the Trust Deed provisions, can change the Scheme fees.

Trust Deed amendments

The Trust Deed may at any time be amended by a deed executed by the Manager and the Supervisor, subject to the provisions of the FMCA.

Under the FMCA, the Trust Deed can be amended:

- with the consent of the Supervisor provided that the Supervisor must not consent to an amendment to, or a replacement of, the Trust Deed unless:
 - the amendment or replacement is approved by, or contingent on approval by, a special resolution of the investors or each class of investors that is or may be adversely affected by the amendment or replacement; or
 - the supervisor is satisfied that the amendment or replacement does not have a material adverse effect on the investors; and
 - the supervisor certifies to that effect and certifies, or obtains a certificate from a lawyer, that the governing document, as amended or replaced, will comply with sections 135 to 137 of the FMCA on the basis set out in the certificate;
- under sections 140 or 187(3) of the FMCA or sections 22(7) or 37(6) of the Financial Markets Supervisors Act 2011 (which allow for changes with the FMA's consent); or
- under any other power to amend or replace the Trust Deed under an enactment.

Change of Manager or Supervisor

The Trust Deed governs how we and the Supervisor can be appointed and removed.

Change of Manager

We will cease to hold the office of manager of the Scheme if:

- we are removed by the written direction of the Supervisor after the Supervisor certifies that it is in the best interests of investors that we are removed;
- we are removed by a special resolution of investors;
- we are substituted by the High Court under section 209 of the FMCA; or
- subject to applicable law, we retire by notice in writing to the Supervisor. We need to give ninety days' notice in writing to the Supervisor of our intention to retire (or such shorter period as the Supervisor shall reasonably require).

The Supervisor or the FMA may appoint a temporary replacement manager in accordance with the FMCA. Subject to applicable law, we have the power to appoint a permanent replacement manager with the Supervisor's approval. If we do not exercise that power within 10 business days of a vacancy occurring, the Supervisor may exercise that power.

The manager of the Scheme at any time must be qualified to hold that position under the FMCA (which includes holding a managed investment scheme manager licence that covers the Scheme).

Change of Supervisor

The Supervisor will cease to hold the office of supervisor of the Scheme if it is removed by the FMA or any court in accordance with any applicable legislation or removed by us or the FMA under part 2 of the Financial Markets Supervisors Act 2011.

Additionally, the Supervisor will also cease to hold office if:

- the Supervisor ceases to hold any licence it is required to hold as a supervisor of the Scheme;
- the Supervisor is removed from office as supervisor of the Scheme by the High Court, on our application;
- the Supervisor is removed by a special resolution of investors;
- the Supervisor does not meet the solvency test as defined in section 4(1) of the Companies Act 1993 and either:
 - it has a receiver or voluntary administrator appointed; or
 - an order is made by a court or a formal resolution is passed for the appointment of a liquidator or voluntary administrator of the Supervisor, or
- subject to applicable law, the Supervisor retires by giving us ninety days' written notice (or such other shorter period as the Supervisor and Manager may agree),

provided that:

- all functions and duties of the position have been performed;
- another licensed supervisor has been appointed, and accepted the appointment, in its place; or
- the High Court consents, and
- the FMA consents to such removal or retirement, as applicable.

Where AMP commences an action to remove the Supervisor (other than in limited circumstances), it is required to give the Supervisor at least 6 months' prior notice of such action.

We have the power to appoint a replacement supervisor if the Supervisor is removed from office or retires.

Any supervisor of the Scheme must be qualified to hold that position under the FMCA (which includes holding a licence under the Financial Markets Supervisors Act 2011 that covers the Scheme).

Changes to funds and SIPO

We can establish funds within the Scheme for investors to invest in, and can set rules regulating conditions for choosing funds (such as the maximum number of funds an investor can choose or the minimum amounts that need to be invested in a fund). The terms and conditions of each Fund include a written SIPO for the Scheme, which sets out how we invest each Fund's assets.

The names of the Funds established within the Scheme as at the date of this document are set out in the PDS. Further details of the Funds can be found in the SIPO and most recent quarterly fund updates, when available. A copy of the SIPO for the Scheme is, and those fund updates will (when prepared) be, available on the AMP website at amp.co.nz/forms.

The Manager will give the Supervisor prior notice of any changes in accordance with the FMCA. We can also wind up any Fund or the Scheme as a whole, subject to compliance with the relevant provisions in the Trust Deed.
