2.3.2 The Settlor confirms that it has no right, title or interest (including but not limited to any beneficial or other proprietary interest) of any kind in the Trust Estate and, to the extent that any such interest is alleged, the Settlor disclaims and irrevocably waives any such right, title or interest of any kind, whether arising at law or in equity, and whether asserted in bankruptcy, administration, insolvency proceedings or otherwise. 2.7 **Card Terms**

No changes to the Card Terms that would affect the obligations of the Settlor under this Deed or otherwise impair the administration of the Trust Estate in accordance with this Deed may be made without MasterCard's prior written approval, and no changes to the Card Terms that would increase the duties and liabilities of Trustee hereunder or

otherwise adversely affect Trustee may be made without Trustee's prior written approval, which in each case shall not be unreasonably withheld.

2.8 Payments to Beneficiaries With Respect to the Trust Estate

All amounts from time to time due and payable to a Beneficiary of the Trust Estate pursuant to this Deed, whether prior to or after the end of the Perpetuities Period, shall be paid in the following order and in the following amounts:

such transfer. Trustee shall have no responsibility for confirming that the respective amounts of the individual components that comprise any Debit Authorisation conform to the requirements of this clause 3.1.1.

The transfer by the Trustee to the Exchange Agent of the amount and currency specified in the relevant Debit Authorisation shall satisfy Trustee's obligation to fund such Settlement Position in accordance with such Debit Authorisation.
- 3.1.3 If the amount set forth in a Debit Authorisation and remitted by Trustee in accordance with such Debit Authorisation exceeds the aggregate amount described in clauses (i) through (vi) of the definition of "Debit Authorisation", the recipient of such excess shall transfer to the Collection Account on the first London Business Day after the date of such Debit Authorisation immediately available funds in an amount equal to such excess and in the same Available Currency as the respective excess amounts.

The Settlor shall exclusively bear the foreign currency exchange risk associated with such transactions and shall be solely responsible for the payment on demand to the Trustee of its customary fees and charges for effecting foreign currency exchange transactions in the relevant amounts and currencies.
- 3.3.4 Not more frequently than monthly, upon receipt of written instructions, substantially in the form of Schedule 6, from TCSL HK on or before 11am London Time on any London Business Day, Trustee shall on the next London Business Day (or if such day is not a Payor Business Day, on the next following Payor Business Day), provide for the transfer in immediately available funds of the balance held in the Investment Yield Account to the account or accounts and in the currencies set forth in such instructions. In the absence of written instructions from TCSL HK the Trustee shall not be required to transfer funds from the Investment Yield Account.
- 3.3.5 **Withholding and Deduction:** Notwithstanding anything contained in this Deed, if Trustee is or will be required under any applicable law to make any deduction or withholding from any distribution or payment made by it hereunder or if the Trustee is or will be otherwise charged to, or is or may become liable to, tax as a consequence of performing its duties hereunder (other than in connection with its remuneration as provided for herein), then the Trustee shall be entitled to make such deduction or withholding from such payment or distribution or, as the case may be, to retain out of sums received by it an amount sufficient to discharge any liability to tax which relates to sums so received or distributed or to discharge any such other liability of the Trustee to tax from the funds held by the Trustee upon the trusts of this Deed, and the Trustee shall not be obliged to pay additional amounts to any Beneficiary, Settlor, Exchange Agent or any other recipient or payee or any other person as a consequence. Notwithstanding anything to the contrary contained in this clause 3.3.5, Trustee shall not be entitled to retain, withhold, deduct or otherwise make use of any part of the Trust Estate to satisfy any tax liability with respect to the Investment Yield or the Investment Yield Account.

4. RESPONSIBILITIES OF TRUSTEE; INDEMNITY

4.1 Trustee

- 4.1.1 Exculpatory Provisions.** (i) Trustee shall not be responsible in any manner whatsoever for the accuracy of any recitals, statements, representations or warranties herein, other than express representations and warranties made by Trustee. Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the title of the Settlor thereto or as to the validity, execution (except its execution), enforceability (except against it), legality or sufficiency of this Deed, the Exchange Agency Deed, the Card Terms or Standards, and Trustee shall incur no liability or responsibility in respect of any such matters.
- (ii) Trustee shall not be required to ascertain or inquire as to the performance by either the Settlor or MasterCard of any of the covenants or agreements contained herein or in the the Card Terms or the Standards, by the Exchange Agent under the Exchange Agency Deed or in any other agreement between (x) MasterCard or the Settlor and (y) any Beneficiary of the Trust Estate.
- (iii) Trustee shall be under no obligation or duty to take any action under this Deed if taking such action (i) would subject Trustee to a tax in any jurisdiction where it is not then subject to a tax, (ii) would require Trustee to qualify to do business in any jurisdiction where it is not then so qualified, or (iii) would be likely to give rise to any cost, expense or other liability not contemplated by the Fee Letter, unless Trustee receives security or indemnity reasonably satisfactory to it against such tax, cost or expense or liability, in each case as results from the taking of such action under this Deed.
- (iv) Notwithstanding any other provision of this Deed, Trustee shall not be liable for any action taken or omitted to be taken in accordance with this Deed except for its own negligence or wilful misconduct.
- 4.1.2 Delegation of Duties.** Trustee may execute any of the trusts or powers hereof and perform any duty hereunder either directly or by or through agents or attorneys-in-fact; provided that Trustee shall be responsible for the negligence or wilful misconduct of any agents or attorneys-in-fact selected by Trustee if Trustee failed to use reasonable care in its selection of any such agent or attorney-in-fact. Trustee shall not be liable for the actions of (x) the Exchange Agent, (y) any successor of the Exchange Agent selected pursuant to clause 2.3 or 4.2 of the Exchange Agency Deed or (z) any correspondent bank selected by Trustee solely for the purpose of establishing a deposit account in an Available Currency in respect of which Trustee is not able to establish a deposit account at its home office or through its branches.

4.1.3 Reliance by Trustee. (i) Whenever in the administration of this Deed, Trustee shall deem it necessary or desirable that a factual matter be proved or established in connection with Trustee taking, suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof is herein specifically prescribed) may be deemed to be conclusively proved or established by a certificate of an officer of MasterCard delivered to Trustee, and such report or certificate shall be full warrant to Trustee for any action taken, suffered or omitted in reliance thereon.

(ii) Trustee may consult with counsel, and any written opinion signed by legal counsel shall be full and complete authorisation and protection in respect of any action taken or suffered by it hereunder.

(iii) Trustee may rely, and shall be fully protected in acting, upon any Debit Authorisation, TCSL HK payment instruction given under clause 3.3.4, resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order, bond or other paper or document which it has no reason to believe to be other than genuine and to have been signed or presented by the proper party or parties or, in the case of faxes, emails, cables, teletypes and telexes, to have been sent by the proper party or parties.

(iv) Trustee shall not be under any obligation to take any action or exercise any of the rights or powers vested in Trustee by this Deed, at the request or direction of MasterCard or the Settlor pursuant to this Deed or otherwise, unless Trustee shall have been provided security and indemnity reasonably satisfactory to Trustee against the costs, expenses and liabilities which may be incurred by Trustee in connection with such action or exercise or with compliance with such request or direction, including such reasonable advances as may be requested by Trustee.

(v) Trustee shall, in particular, be entitled, and shall be fully protected in acting, to treat each payment which it receives from Settlor's Agent in relation to this Deed or the Trust Estate as if it had been from the Settlor.

4.1.4 Limitations on Duties of Trustee. (i) Trustee shall be obliged to perform such duties and only such duties as are specifically set forth in this Deed and no implied covenants or obligations shall be read into this Deed against Trustee.

(ii) Trustee shall not be under any obligation to take any action which is discretionary with Trustee under the provisions hereof. Trustee shall make available for inspection and copying by the Settlor, each certificate or other paper furnished to Trustee by MasterCard under or in respect of this Deed.

(iii) No provision of this Deed shall be deemed to impose any duty or obligation on Trustee to perform any act or acts or exercise any right,

power, duty or obligation conferred or imposed on it, in any jurisdiction in which it shall be illegal, or in which Trustee shall be unqualified or incompetent, to perform any such act or acts or to exercise any such right, power, duty or obligation or if such performance or exercise would constitute doing business by Trustee in such jurisdiction or impose a tax on Trustee by reason thereof or to risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder.

- (iv) Subject to clause 4.1.2, Trustee shall not be liable or responsible for any liabilities or inconvenience which may result from anything done or omitted to be done by it in accordance with the provisions of this deed and shall bear no obligation or responsibility to any person unless such liability, inconvenience, obligation or responsibility arises as a result of negligence or wilful misconduct on the part of Trustee. In particular, but without limiting the generality of the foregoing, the Trustee shall not be liable for any failure to maximise the amount of interest or other amounts earned on all or part of the Collection Account or Investment Yield Account. Except in the case of willful misconduct, Trustee shall not be liable for any special loss, or indirect, punitive or consequential damages, however caused or arising (including loss of business, goodwill, opportunity or profit) even if advised of the possibility of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract, breach of trust or otherwise.

4.1.5 Resignation and Removal of Trustee.

- (i) Trustee may at any time, by giving written notice to MasterCard and the Settlor, resign and be discharged of the responsibilities hereby created, in whole or solely in respect of currencies in which Trustee is not then able to maintain a deposit account (either at its home office, through its branches or through a correspondent bank), such resignation to become effective upon (a) the appointment of a successor trustee in accordance with this clause 4.1.5, (b) the acceptance of such appointment by such successor trustee and (c) the approval of such successor trustee evidenced by one or more instruments signed by MasterCard and by the Settlor (which approval, in each case, shall not be unreasonably withheld). If no successor trustee shall be appointed and shall have accepted such appointment within 120 days (or such longer period as may be requested by MasterCard and Settlor and consented to by Trustee, such consent not to be unreasonably withheld) after Trustee gives the aforesaid notice of resignation, Trustee, the Settlor or MasterCard may apply to any court of competent jurisdiction to appoint a successor trustee to act until such time, if any, as a further successor trustee shall have been appointed as provided in this sub-clause 4.1.5. Any successor so appointed by such court shall immediately and without further act be superseded by any further successor trustee appointed pursuant to sub-clause 4.1.5(ii). MasterCard may, at any time upon giving 30 days prior written notice thereof to

Trustee and with the prior written consent of the Settlor (not to be unreasonably withheld), remove Trustee and appoint a successor trustee, such removal to be effective upon the acceptance of such appointment by the successor. The Settlor shall, promptly on demand, pay to Trustee all fees, costs and expenses to the extent incurred or arising, or relating to events occurring, before or occasioned by any such resignation or removal.

- (ii) If at any time Trustee shall resign or be removed or otherwise become incapable of acting, or if at any time a vacancy shall occur in the office of trustee for any other cause, a successor trustee may be appointed by MasterCard with the consent (not to be unreasonably withheld) of the Settlor. The powers, duties, authority and title of the predecessor trustee shall be terminated and cancelled without procuring the resignation of such predecessor and without any other formality (except for the consent of the Settlor referred to above and as may be required by applicable law) other than appointment and designation of a successor in writing duly delivered to the predecessor trustee and the Settlor. Such appointment and designation shall be full evidence of the right and authority to make the same and of all the facts therein recited, and this Deed shall vest in such successor, without any further act, deed or conveyance, all the estates, properties, rights, powers, trusts, duties, authority and title of its predecessor; but such predecessor shall, nevertheless, on the written request of MasterCard, the Settlor or the successor, execute and deliver an instrument (in form and substance satisfactory to the predecessor trustee and to the party requesting it) transferring, with full title guarantee, to such successor all the estates, properties, rights, powers, trusts, duties, authority and title of such predecessor hereunder and shall deliver the Trust Estate to such successor. Should any deed, conveyance or other instrument in writing from the Settlor be required by any successor trustee for more fully and certainly vesting in such successor the estates, properties, rights, powers, trusts, duties, authority and title vested or intended to be vested in the predecessor trustee, any and all such deeds, conveyances and other instruments in writing shall, on request of such successor, be executed, acknowledged and delivered by the Settlor. If the Settlor shall not have executed and delivered any such deed, conveyance or other instrument within 10 days after it received a written request from the successor trustee to do so, the successor trustee may execute the same on behalf of the Settlor. The Settlor hereby appoints any successor trustee as its agent and attorney to act for it as provided in the next preceding sentence.

- 4.1.6 **Merger of Trustee.** Any corporation into which Trustee may be merged, or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which Trustee shall be a party, shall be trustee under this Deed without the execution or filing of any paper or any further act on the part of the parties hereto. Notwithstanding the immediately preceding sentence, if Trustee or any of its Affiliates shall acquire, or otherwise become an Affiliate of, the Settlor,

or shall enter into a binding agreement or commence any action or make any claim in a court of competent jurisdiction, the successful consummation or successful determination of which would result in Trustee or any of its Affiliates acquiring, or otherwise becoming an Affiliate of, the Settlor, Trustee shall be deemed to have resigned from its position as trustee of the Trusts and the provisions of Clause 4.1.5 shall apply.

4.1.7 Corporate Trustee. The trustee hereunder shall at all times be a corporate trustee.

4.1.8 Residence of Trustees. Subject to clause 4.1.7, any person may be appointed as a trustee, even though such person is not resident or domiciled or otherwise connected with the United Kingdom. The fact that a trustee remains outside of the United Kingdom for more than 12 months shall not be grounds for removing such trustee.

4.1.9 Additional Instructions, Information.

(i) If it believes that any collection account comprising the Collection Account has become dormant or any funds in such account have been abandoned, Trustee may make inquiries of MasterCard and Settlor as to the status of such collection account and such funds and may seek instructions from MasterCard. MasterCard shall promptly instruct Trustee to (i) continue to maintain such account or (ii) distribute the balance of such account to the Settlor to be held for the benefit of the applicable Cardholders.

(ii) If at any time Trustee shall be obligated under applicable law to remit Current Balances to Cardholders and MasterCard shall be unable or unavailable to provide instructions to Trustee with respect to such remittances, Trustee may request, and MasterCard and the Settlor, to the extent permitted by law, shall provide, such records and information required by Trustee to perform its duties in accordance with the terms of this Deed and applicable law.

4.2 Indemnification.

The Settlor and MasterCard, jointly and severally, agree to pay, indemnify, and hold Trustee and its directors, officers, agents and employees (each an "Indemnitee") harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses (including, without limitation, the reasonable fees and expenses of counsel, advisors and agents properly incurred) arising in connection with a claim from a person not party to this Deed relating to this Deed or the execution, delivery, enforcement, performance and administration of this Deed, except to the extent arising from such Indemnitee's own negligence or wilful misconduct or for the negligence or wilful misconduct of any agents (excluding the Exchange Agent)

selected by Trustee if Trustee failed to use reasonable care in its selection of any such agent. The agreements in this sub-clause 4.2 shall survive the expiration or termination of the other provisions of this Deed and the resignation or removal of Trustee hereunder.

5. REPRESENTATIONS, WARRANTIES AND COVENANTS

5.1 The Settlor hereby represents, warrants and covenants to MasterCard and Trustee that for so long as this Deed is in effect:

5.1.1 it is duly incorporated and validly existing under the law of its jurisdiction of incorporation and in good standing in Hong Kong;

5.1.2 it has power to execute, deliver and perform its obligations under this Deed, and all necessary procedures and other action has been taken to authorise its execution, delivery and performance of the same, and the person or persons that have signed this Deed on its behalf were authorised to do so;

5.1.3 this Deed and the Card Terms constitute its valid, legally binding and enforceable obligations;

5.1.4 the execution and delivery of, the performance of its obligations under, and compliance with the provisions of and the transactions contemplated by this Deed, the Exchange Agency Deed and the Card Terms do not and will not:

(a) contravene any existing applicable law, statute, rule or regulation or any judgment, decree or approval, consent, licence or registration to which it is subject including, without limitation, any regulation relating to exchange control, deposit taking, electronic money, money laundering, "know your customer" regulations, data protection or consumer protection;

(b) conflict with, or result in any breach of, or the creation of a lien under, any of the terms of, or constitute a default under, any material agreement or other material instrument to which it is a party or is subject or by which it or any of its property is bound; or

(c) contravene or conflict with any provision of its articles, by-laws, or other constitutional documents;

5.1.5 to the best of the Settlor's knowledge, the Trusts are legal, valid and binding, and all necessary steps have been taken and will be taken from time to time, including any filing, registration, notarisation and other formalities required, to ensure they continue to be legal, valid and binding;

5.1.6 except for the Trusts, the Trust Estate is free from all liens, security interests and other charges and encumbrances of any kind, and all other types of preferential arrangements created by or arising through the Settlor or any of its Affiliates;

- 5.1.7 it is the intention of the Settlor that the transfers to the Collection Account pursuant to clause 2.2.2 constitute an absolute and irrevocable transfer from the Settlor to Trustee of all of the Settlor's right, title and interest in and to all funds so transferred with full title guarantee and that the Trust Estate shall not be part of the Settlor's assets upon the administration, receivership or winding up of the Settlor or upon the passing of a resolution to wind up or the filing of a petition by any third party or an order to wind up Settlor. Immediately prior to the transfer to Trustee pursuant to clause 2.2.2, the Settlor shall have good and marketable title to all funds so transferred free and clear of all liens, encumbrances, security interests and rights of others and, immediately upon the transfer thereof, Trustee shall have good and marketable title to all such funds free and clear of all liens, encumbrances, security interests and rights of others created by or arising through the Settlor or any of its Affiliates; and
- 5.1.8 the Settlor shall not (and Settlor shall direct the Settlor's Agent and its agents accordingly) for any purpose (including tax, accounting or legally required disclosure) treat any of the Trust Estate as its own property.
- 5.2 The Settlor hereby represents, warrants and covenants to MasterCard and Trustee that, as at the date of this Deed, no Insolvency Event has occurred or is occurring.
- 5.3 Trustee hereby represents and warrants on the date of this Deed to the Settlor and MasterCard that:
- 5.3.1 it is duly incorporated and validly existing under the law of its jurisdiction of incorporation;
- 5.3.2 the obligations expressed to be assumed by it in this Deed are legal, valid, binding and enforceable obligations of and against Trustee;
- 5.3.3 the execution and delivery of, the performance of its obligations under, and compliance with the provisions of, this Deed by Trustee do not and will not:
- (a) (if no Cards are issued in the United Kingdom) contravene any existing applicable law, statute, rule or regulation of the United Kingdom or any judgment, decree or approval, consent, licence or registration under the laws of the United Kingdom to which it is subject including, without limitation, any regulation relating to exchange control, deposit taking or consumer protection;
- (b) contravene or conflict with any provision of its articles, by-laws, or other constitutional documents;
- 5.3.4 it has the power to enter into, perform and deliver, and has taken all necessary action to authorise its entry into, performance and delivery of, this Deed to which it is a party and the transactions contemplated by this Deed; and

- 5.4 Trustee hereby represents, warrants and covenants to the Settlor and MasterCard that, for so long as there shall be any funds standing to the credit of the Collection Account, the Trust Estate is and shall be free from all liens, security interests and other charges and encumbrances of any kind, and all other types of preferential arrangements for the benefit of Trustee, created by or arising through Trustee, in its individual capacity or as trustee.
- 5.5 Trustee hereby covenants that, for so long as there shall be any funds standing to the credit of the Collection Account:
- 5.5.1 it shall not commingle or pool any of its funds and other assets with those of the Trust Estate; and
- 5.5.2 the representations and warranties in clauses 5.3.1 and 5.3.4 shall remain true and correct.
- 5.6 MasterCard hereby represents, warrants and covenants to Trustee and the Settlor that for so long as this Deed is in effect:
- 5.6.1 it is a corporation duly organised, validly existing and in good standing under the laws of its jurisdiction of incorporation and has power and all necessary approvals, consents, licenses and registrations required (if any) to carry on its business and to perform its obligations hereunder;
- 5.6.2 it has power to execute, deliver and perform its obligations under this Deed and all necessary procedures and other action has been taken to authorise its execution, delivery and performance of the same, and the person or persons that have signed this Deed on its behalf were authorised to do so;
- 5.6.3 this Deed constitutes its valid, legally binding and enforceable obligations; and
- 5.6.4 the execution and delivery of, the performance of its obligations under, and compliance with the provisions of this Deed by it do not and will not:
- (a) contravene any existing applicable law, statute, rule or regulation or any judgment, decree or approval, consent, license or registration to which it is subject including, without limitation, any regulation relating to exchange control, deposit taking, electronic money, money laundering, "know your customer" regulations, data protection or consumer protection;
- (b) conflict with, or result in any breach of, or the creation of a lien under, any of the terms of, or constitute a default under, any material agreement or other material instrument to which it is a party or is subject or by which it or any of its property is bound; or
- (c) contravene or conflict with any provision of its articles, by-laws, or other constitutional documents.

6. SUPPLEMENTS TO THE TRUSTEE ACTS

The following provisions supplement and amend the Trustee Act 1925 and Trustee Act 2000 (the “Trustee Acts”) in so far as they shall apply to the Trusts and this Deed.

- 6.1 **General powers.** Subject to any conflicting provisions contained in this Deed, the Trustee shall be entitled for the duration of the Deed to exercise all powers to which it is entitled under the Trustee Acts. Where there are any inconsistencies between the Trustee Acts and the provisions of this Deed, the provisions of this Deed shall, to the extent allowed by law, prevail and, in the case of any such inconsistency with the Trustee Act 2000, the provisions of this Deed shall constitute a restriction or exclusion for the purposes of that Act.
- 6.2 **Confidentiality.** Unless otherwise required by applicable law, legal, administrative or judicial process, governmental order or the rules and regulations of any stock exchange, each party will treat all terms and conditions of the Fee Letter and this Deed (other than the existence of the Fee Letter and this Deed) and all confidential information obtained while a party to this Deed from the Settlor or MasterCard by virtue of the transactions contemplated by this Deed as confidential, will disclose such information only to those individuals with a reasonable need to know within its organizations (provided such individuals agree to be bound by the confidentiality obligations herein), and will not disclose any such information to third parties, without the other parties’ prior written approval, except that each party may disclose the same to its agents, attorneys-in-fact, auditors, regulators, outside board members and outside counsel provided such persons are advised of, and observe the obligations of this clause 6.2. The parties acknowledge that, in the event of a breach of this clause 6.2, the non-breaching parties will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the non-breaching parties may possess pursuant to applicable law, the non-breaching parties retain the right to seek and obtain injunctive relief against any such breach in any court of competent jurisdiction. The provisions of this clause 6.2 will survive the termination of this Deed.
- 6.3 **Business between Trustee and others.** None of Trustee or its Affiliates or any director, officer, employee or agent of Trustee or any of its Affiliates shall by reason of the fiduciary position of the Trustee be in any way precluded from making any contracts or entering into any transactions in the ordinary course of business with the Settlor or MasterCard or any Beneficiary or any of their respective Affiliates or associates, or from accepting any trusteeship (whether of any debenture stock, debentures or securities or otherwise) of the Settlor or MasterCard or any Beneficiary or any of their respective Affiliates or associates, and none of Trustee, any of its Affiliates or any such director, officer, employee or agent shall be accountable to the Settlor or MasterCard or any Beneficiary or any of their respective Affiliates or associates, for any profit, fees, commissions, interest, discounts or share of brokerage earned, arising or resulting from any such contracts or transactions and Trustee, each of its Affiliates and any such director, officer, employee or agent shall also be at liberty to retain the same for its or his own benefit.

7. FEES

TCSL HK agrees to pay Trustee upon execution of this Deed and from time to time thereafter the fees and other amounts set out in the Fee Letter and any reasonable expenses (including legal fees) properly incurred by Trustee in accordance with fulfilling its obligations pursuant to this Deed to the extent that such expenses are agreed in advance among the Settlor, MasterCard and Trustee from time to time. If an Insolvency Event occurs in relation to TCSL HK, MasterCard shall pay the Trustee the fees and amounts set out in the Fee Letter at the times and in the manner stated therein. Trustee acknowledges that, in accordance with clause 2.3, it shall have no right of set-off against, or other recourse to, the Collection Account or the Investment Yield Account in respect of such fees or any other expenses properly incurred by Trustee in performing its duties pursuant to this Deed.

9. BINDING EFFECT

This Deed shall be binding on, and inure to the benefit of, the parties hereto, their successors and permitted assigns.

10. ENTIRE AGREEMENT

This Deed together with the Schedules attached hereto, the Exchange Agency Deed and (solely in respect of the Settlor and MasterCard) and the Indemnity Allocation Agreement by and among MasterCard, TCSL and ISL dated 5 June 2009 and novated on or about the date hereof (as it may be amended, restated, supplemented or otherwise modified) constitute the entire agreement between the parties hereto in respect of the subject matter hereof and supersede all prior agreements, understandings, discussions or negotiations (written or oral) between the parties hereto in respect of the subject matter hereof.

11. AMENDMENT

Unless otherwise expressly provided herein, this Deed may only be amended in writing signed by all of the parties hereto.

12. FURTHER ASSURANCE

At any time after the date of this Deed the Settlor and MasterCard shall, and shall use all commercially reasonable efforts to procure that any necessary third party shall, at the cost of the party requesting it, execute such documents and do such acts and things as either party may reasonably require for the purpose of giving to such party the full benefit of all the provisions of this Deed, such acts and things to include acts and things reasonably required for the recognition and enforcement of the trusts created by this Deed in all relevant jurisdictions.

13. COUNTERPARTS

This Deed may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. All signatures of the parties to this Deed may be transmitted by facsimile, and such facsimile will, for all purposes, be deemed to be the original signature of such party whose signature it reproduces and will be binding upon such party.

14. FORCE MAJEURE

No party to this Deed is liable to any other party for losses due to, or if it is unable to perform its obligations under the terms of this Deed because of, acts of God, fire, terrorist activity, floods, strikes, equipment or transmission failure, or other causes reasonably beyond its control.

15. WAIVER

No failure of any party to exercise, and no delay by it in exercising, any right, power or remedy in connection with this Deed (each a "**Remedy**") will operate as a waiver thereof, nor will any single or partial exercise of any Remedy preclude any other or further exercise of such Remedy or the exercise of any other Remedy. The Remedies provided in this Deed are cumulative and not exclusive of any other Remedies (whether provided at

law or in equity). Any express waiver of any breach of this Deed shall not be deemed to be a waiver of any subsequent breach.

16. RIGHTS OF THIRD PARTIES

This Deed shall not create any right or cause of action in or on behalf of any person or entity other than the parties and the other Beneficiaries and, solely in respect of clause 4.2, the Indemnitees.

17. ASSIGNMENT

No party hereto may assign this Deed or any right, title or interest herein or hereunder, or delegate any duty or obligation hereunder (other than pursuant to clause 4.1.2 or 4.15), and such attempted assignment or delegation shall be void, except with the prior written consent of the other parties hereto, which, in the case of the consent of Trustee, shall not be unreasonably withheld, conditioned or delayed.

18. GOVERNING LAW AND JURISDICTION

18.1 This Deed and any non-contractual obligations arising out of or in connection with it are governed by English Law.

18.2 Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with this Deed or its subject matter or formation (including non-contractual disputes or claims).

19. SERVICE OF PROCESS

MasterCard irrevocably appoints MasterCard UK Management Services Limited, First Floor, 47-53 Cannon Street, London EC4M 5SH, Attention: General Counsel's Office, as its agent to receive on its behalf in England and Wales service of any proceedings. Such service shall be deemed completed on delivery to such agent in accordance with the provisions of clause 8 hereof, and shall be valid until such time as the other parties hereto have received prior written notice from MasterCard that such agent has ceased to act as agent. If for any reason such agent ceases to be able to act as agent or no longer has an address in England or Wales, MasterCard shall appoint forthwith a substitute and deliver to the other parties the new agent's name, address and fax number within England and Wales.

20. ENFORCEMENT

20.1 The English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a "Dispute").

20.2 Each party agrees that the English courts are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

21. MISCELLANEOUS

The Settlor has contracted Settlor's Agent as its agent to collect, in trust, Cardholder funds on behalf of the Settlor, such funds being the funds that are ultimately used to fund the Trust Estate and which will be paid to the Collection Account by Settlor's Agent. Notwithstanding this contractual arrangement, it is expressly understood and agreed to by the parties hereto that Settlor's Agent's performance is not a condition to Settlor's duty to fund the Trust Estate in accordance with this Deed.
