
BOARD CHARTER – PUNAKAIKI FUND LIMITED

14 February 2018

1. INTRODUCTION

- 1.1. Punakaiki Fund Limited (“Punakaiki Fund”) is committed to the highest standards of corporate governance.
- 1.2. Punakaiki Fund’s Constitution (“Constitution”) is the overarching document which sets out the rights, powers, duties and obligations conferred on Punakaiki Fund, its Board of Directors (“Board”) and its shareholders.
- 1.3. This Board Charter (“Charter”) is the document which states the Board’s role and responsibilities in the governance of Punakaiki Fund, and how the Board will exercise and discharge its powers and responsibilities in relation to the business and affairs of Punakaiki Fund. As such, it forms a key part of Punakaiki Fund’s corporate governance policy suite, but should not be considered in isolation. In the event of a conflict between the Charter and the Constitution, the provisions of the Constitution shall prevail.
- 1.4. In performing its role, the Board aspires to continuously improve corporate governance at Punakaiki Fund, as appropriate for a company which aspires to list on a recognised exchange in the medium term.

2. BACKGROUND

- 2.1. Punakaiki Fund’s tag-line – *“investing in growth stage companies”* reflects not only Punakaiki Fund’s financial commitment to helping growing companies into mature dividend-paying investments over time, but also to behaving in a manner which will attract the best growth stage company investment opportunities to Punakaiki Fund, and to help to improve the approach taken by the all actors in the early stage company ecosystem in New Zealand. This “grow the pie” approach includes modelling investor behaviour through our own actions and results, advising and supporting companies and people in the ecosystem, and outreach to government, larger investors, finance media and the public.
- 2.2. Punakaiki Fund’s approach to achieving these actions and behaviours are driven by both the governance and management of Punakaiki Fund.
- 2.3. Punakaiki Fund has delegated responsibility for management to Lance Wiggs Capital Management Limited (“Manager”) under a long term Management

Agreement. The Management Agreement details a comprehensive list of duties and responsibilities of the Manager. The intended effect of the Management Agreement is to impose by contract on the Manager, duties and responsibilities more usually carried out by a Chief Executive Officer and senior management team.

- 2.4. The Manager has also agreed to assume the Corporate Manager role (discussed further below) as an interim measure until the Board deems it appropriate to appoint a party independent to the Manager to this role. Under the Management Agreement, it is not the Manager's obligation to provide Corporate Manager services.

3. PURPOSE

- 3.1. This Charter focuses on the values, principles and practices that underpin the function of the Board. It also sets out the role, composition, responsibilities and duties, procedures, powers and authority, and review and accountability of the Board, the committees established by the Board ("Board Committees") and the relationship between the Board and the Manager of Punakaiki Fund.
