2 Selected financial information and ratios	3

This document is incorporated by reference into the Product Disclosure Statement (PDS) dated 13 September 2016 and should be read in conjunction with the PDS.

RANKING DIAGRAM

If CMC were to go into liquidation, your Deposits would rank as shown in this table and is based on \$24.0 million of Deposits on issue at 30 June 2019.

	Ranking on liquidation of CMC Group	Examples	Indicative amount at 30 June 2019 \$'000
Higher ranking / earlier priority			
	Liabilities that rank in priority to Deposits	Preferred by law Liquidation costs Employee remuneration Tax Secured liabilities permitted under the trust deed* Secured amounts payable to suppliers and others	12,400 1,626
	Liabilities that rank equally with Deposits	Deposits Bank borrowings All other ordinary unsecured liabilities	24,008 137,637
	Liabilities that rank below Deposits	Lower-ranking unsecured creditors	-
	Total liabilities		175,401
	Equity	Distribution of surplus assets	212,294
Lower ranking / later priority			

*Further liabilities that rank equally with or in priority to Deposits on liquidation of the CMC Group can arise during the normal course of business. However the trust deed imposes a maximum limit to the value of permitted secured liabilities which is calculated as 20% of total tangible assets.

Secured amounts include the value of some ordinary shares in Motor Trade Finance Limited held by several CMC Group companies as a requirement to being originators of customer finance arrangements to provide security over amounts potentially payable under customer finance contracts.

Indicative amounts are given in respect of the CMC Group.

SELECTED FINANCIAL INFORMATION AND RATIOS

This table provides selected financial information about the CMC Group and full financial statements are available on the offer register at www.business.govt.nz/disclose. CMC's financial performance and position is critical to CMC's ability to meet its obligations, including those owed to you. If you do not understand this sort of financial information, you can seek professional advice.

Selected financial information and ratios

The following data has been extracted from the CMC Group's annual financial statements that have been prepared in accordance with GAAP. The source financial statements were audited by qualified independent auditors, included in CMC's annual report and reported publicly through the Companies Office and NZX.

For the years ended 30 June	2017 \$'000	2018 \$'000	2019 \$'000
Revenue	854,764	904,033	909,002
Net profit after tax plus interest, tax, depreciation and amortisation (EBITDA)	40,086	46,217	42,757
Interest expense	3,852	4,565	4,992
Net profit after tax	23,535	27,092	23,574
Net cash flows from operating activities	15,827	(11,355)	36,582
At 30 June	2017 \$'000	2018 \$'000	2019 \$'000
Cash & cash equivalents	8,060	10,251	7,182
Total assets	316,892	389,368	387,696
Total tangible assets	315,865	388,340	386,668
Total debt	80,526	124,524	118,476
Total liabilities	134,007	189,621	175,401
Equity	182,885	199,747	212,294
Total net tangible assets	181,857	198,719	211,266
Ratios	2017	2018	2019
Debt/EBITDA	2.01	2.69	2.77
Debt/EBITDA is an indicator of the degree to which an entity has borrowed against earnings. The higher the number, the greater the risk that the entity will not be able to pay off its debts.			
EBITDA/interest expense	10.41	10.12	8.57
EBITDA/interest expense is a measure of the ability of an entity to pay interest on borrowings. The lower the number, the greater the risk that the entity will not be able to pay interest.			

Although not all CMC Group companies are guarantors, the financial information for CMC and the guaranteeing subsidiaries listed in section 3 of the Product Disclosure Statement would not be materially different from the above.

CMC's financial information

CMC's financial performance and position is critical to CMC's ability to meet its obligations, including those owed to you. If you do not understand this sort of financial information, you can seek professional advice.

Audited annual financial statements are included in CMC's annual reports which may be downloaded from its website www.colmotor.co.nz.

Financial covenants

The trust deed requires CMC to comply with the following financial covenants.

- current assets must be equal to or greater than current liabilities;
- shareholders' funds minus total intangible assets must exceed the greater of \$50 million or 3 times deposits;
- total liabilities must not exceed 2 times shareholders' funds;
- total secured liabilities (excluding the security given pursuant to the negative pledge) do not exceed 20% of total tangible assets.

Negative pledge

Each member of the Borrowing Group undertakes that it will not create, assume, or allow to exist any Security over any of its present or future revenues, property, assets, uncalled capital or undertaking nor incur liabilities secured by any Security except

- any Security specified in writing by the Supervisor to any member of the Borrowing Group as an exempt Security and
- the Security given pursuant to any of the Negative Pledge Agreements with CMC's banks.
