

### Additional Registration Entry Information

First Mortgage Managers Limited ("Manager") has prepared this additional information in accordance with the Financial Markets Conduct (Managed Funds - Loan Disclosure Requirements) Exemption Notice 2019.

This disclosure is based on the full portfolio of investments held by First Mortgage Trust Group Investment Fund ("FMT GIF") as at 30 September 2020.

This shows the types of assets that the fund invests in, where secured loan asset types (residential, commercial, and rural) are shown as a percentage of total assets.

**Asset types:**

Residential - secured loans for which the principal secured property is residential property

Commercial - secured loans for which the principal secured property is commercial property

Rural - secured loans for which the principal secured property is rural property

Cash - cash and cash equivalents, and New Zealand fixed interest, with registered banks

This table shows the composition of the secured loans expressed as a percentage of the total loans according to each geographical region and, within each geographical region, shows the proportion of secured loans according to asset types.

List of regions	Percentage by geographic region	Proportion by asset type:		Proportion by asset type: Rural

Secured loans are allocated an asset type based on the zoning of the principal secured property (by value) that is set in the local council's district plan.

There were two impaired secured loans at the time this fund update was prepared. The below table shows the composition of the impaired secured loans expressed as a percentage of the total loans according to each geographical region and, within each geographical region, shows the proportion of impaired secured loans according to asset types.

Region	Percentage by geographic region	Proportion by asset type: Residential	Proportion by asset type: Commercial	Proportion by asset type: Rural
Hawke's Bay	1.75%	0.00%	1.75%	0.00%

Maximum loan to value ratios for each type of secured loan as at 30 September 2020.
