Changes to underlying investment managers.

Underlying investment managers are regularly monitored and reviewed. These managers may be added to or removed without us notifying you. This means the identity and number of underlying investment managers for the funds may vary from time to time.

Introduction to the underlying investment managers (in alphabetical order).

BT Funds Management (NZ) Limited.	BTNZ is the funds management arm of Westpac in New Zealand, and is wholly owned by Westpac Banking Corporation. The specialist investment team adopts a valuation-driven approach to managing fixed interest and cash, aiming to add value via multiple sources of active management: duration, yield curve positioning and sector and security selection.	 BT Funds Management
Colchester Global Investors (Singapore) Pte. Limited.	Founded in 1999 and based in London, Colchester Global Investors is an independent investment management firm offering value oriented, global and international bond management services. Colchester's portfolios principally comprise sovereign bonds. Through the use of high quality smaller country bonds, Colchester gains the significant competitive advantage of diversity and added return potential.	 COLCHESTER GLOBAL INVESTORS
Devon Funds Management Limited.	Devon is an independent investment management business that specialises in building investment portfolios that are comprised of companies listed on the New Zealand and Australian stock exchanges. Devon is based in Auckland, established in March 2010 and is wholly owned by its employees. Devon invests in companies that they consider have attractive valuations, favourable industry characteristics, a sustainable competitive advantage, strong management and governance, a clear strategic plan for growing shareholder wealth and a robust business model.	DEVON FUNDS.
Harbour Asset Management Limited.	Harbour is a New Zealand based investment manager which manages funds for large government institutions, workplace savings schemes, charities, KiwiSaver schemes and retail investors through mezzanine platforms. Harbour offers both equity and fixed interest investment solutions for clients. Within Australasian equities, Harbour believes in a growth-orientated investment management approach to generate out-performance. Harbour employs a combination of quantitative, macro-economic and fundamental research analysis when selecting New Zealand and Australian equities for inclusion in portfolios.	 Harbour ASSET MANAGEMENT

Introduction to the underlying investment managers (in alphabetical order).

Legal & General Investment Management Limited (LGIM).	<p>LGIM is the global asset management business of Legal & General Group. Its purpose is to create a better future through responsible investing. LGIM works together in partnership with over 3,000 institutional clients globally to achieve positive long-term outcomes. It provides index and active investment solutions across public and private assets, including fixed income, equities, multi-asset, real assets and cash. Everything LGIM do is informed by Legal & General Group's vision of Inclusive Capitalism, which seeks to share the benefits of economic growth among as many people as possible. LGIM believe responsible investing is essential to mitigate risks, unearth investment opportunities and strengthen long-term returns for clients. The incorporation of ESG considerations into investment decisions is core to its approach.</p>	
Mirova US LLC.	<p>Mirova, headquartered in Paris and founded in 2012, is an investment manager dedicated to sustainable investing through a conviction-driven approach. The firm's goal is to combine value creation over the long term with sustainable development. Mirova aims to do this by being an active, committed, and leading player in sustainable finance while offering its clients investment solutions seeking financial performance with both environmental and social impact. The Mirova global equity strategy uses a thematic approach focused on integrating sustainability to build a high conviction portfolio of companies.</p>	
Ninety One Australia Pty Limited.	<p>Ninety One is an independent, active global asset manager dedicated to delivering compelling outcomes for its clients, headquartered in London and Cape Town. Established in South Africa in 1991, as Investec Asset Management, the firm started offering domestic investments in an emerging market. In 2020, almost three decades of organic growth later, the firm demerged from Investec Group and became Ninety One. Today the firm offers distinctive active strategies across equities, fixed income, multi-asset and alternatives to institutions, advisors and individual investors around the world.</p>

RBC Global Asset Management (UK) Limited.	<p>RBC Global Asset Management (UK) Limited (formerly known as BlueBay Asset Management LLP) provides investment management services primarily to institutions and manages a combination of long-only and alternative strategies across the sub-asset classes of investment grade corporate debt, convertible bonds, high yield debt, distressed debt, loans and emerging market debt.</p>	
Salt Funds Management Limited.	<p>Salt is a specialist investment manager firm founded in May 2013 and is wholly owned by its investment personnel. Salt specialises solely in managing New Zealand and Australian listed equity and property mandates and uses the time-tested active investment philosophy of seeking to invest in companies with strong management, which operate within sound industry structures and which generate superior shareholder returns.</p>	
Schroder Investment Management Australia Limited.	<p>Schroders is a global investment manager, founded in 1804 and headquartered in London with offices spanning 38 locations worldwide. Schroders believes in the potential to gain a competitive advantage from in-house global research that provides Schroders with a key foundation for its investment process. Inherent in its approach to investment management is a structured, disciplined and repeatable investment process, a clearly defined investment style and a team-based approach. Schroders' quantitative equity strategies seek to invest in undervalued, quality companies.</p>	

Introduction to the underlying investment managers (in alphabetical order).

T. Rowe Price Australia Limited.	<p>T. Rowe Price Australia Limited is a subsidiary of the Baltimore-based T. Rowe Price Group, Inc. ("T.Rowe Price") which is a global investment management organization. T. Rowe Price provides a broad array of mutual funds, sub-advisory services, and separate account management for individual and institutional investors, retirement plans, and financial intermediaries. The organisation also offers sophisticated investment planning and guidance tools. T. Rowe Price's disciplined, risk-aware investment approach focuses on diversification, style consistency, and fundamental research.</p>	
Northern Trust Asset Management Australia Pty Limited.	<p>Headquartered in Chicago, Northern Trust Asset Management is a global investment manager which combines robust capital markets research, portfolio construction and risk management to craft innovative and efficient solutions that deliver targeted investment outcomes. Northern Trust Asset Management's quantitative strategies seek to outperform a benchmark by exploiting market anomalies and behavioral biases using proprietary, quantitative models and processes to select securities, construct portfolios, and manage risk to deliver targeted outcomes. Their quantitative strategy focuses on taking intentional compensated risks through a multi-factor portfolio construction, with an ESG overlay, using proprietary definitions for quality, value, volatility, and momentum to aim to enhance risk-adjusted returns.</p>	
Wellington Management Australia Pty Limited.	<p>Wellington Management is a private partnership which traces its roots back to the founding of the Wellington Fund in 1928. Wellington Management is based in Boston and has offices located across the US, and in Beijing, Frankfurt, Hong Kong, London, Singapore, Tokyo and Sydney. The objective of Wellington Management's Global Aggregate investment process is to identify a diversified set of independent investment ideas, efficiently allocate capital to those investment ideas, and transparently manage portfolio risk.</p>
