The first monthly payment (together with rent calculated on a daily basis for any period from the commencement date of the term to the first rent payment date) shall be payable on the first rent payment date. All rent shall be paid without any deductions or set-off by direct payment to the Landlord or as the Landlord may direct.

#### Market Rent Review

- 2.1 The annual rent payable as from each market rent review date (except for a market rent review date that is a renewal date) shall be determined as follows:
- Either party may not earlier than 3 months prior to a market rent review date and not later than the next rent review date (regardless of whether the next rent review date is a market or CPI rent review date) give written notice to the other party specifying the annual rent proposed as the current market rent as at the relevant market rent review date.
  - If the party receiving the notice ("the Recipient") gives written notice to the party giving the notice ("the Initiator") within 20 working days after service of the Initiator's notice disputing the annual rent proposed and specifying the annual rent proposed by the Recipient as the current market rent, then the new rent shall be determined in accordance with subclause 2.2.
  - If the Recipient fails to give such notice (time being of the essence) the Recipient shall be deemed to have accepted the annual rent specified in the Initiator's notice and the extension of time for commencing arbitration proceedings contained in the Arbitration Act 1996 shall not apply.
  - Notwithstanding any other provision of this clause, the annual rent payable as from the relevant market rent review date shall not be less than the annual rent payable as at the commencement date of the ~~then current~~ <sup>immediately preceding</sup> lease term.

    - The valuers appointed before commencing their determination shall appoint a third expert who need not be a registered valuer. If the parties cannot agree on the third expert, the appointment shall be made on the application of either party by the president or vice president for the time being of The New Zealand Institute of Valuers.
    - The valuers appointed by the parties shall determine the current market rent of the premises but if they fail to agree then the rent shall be determined by the third expert.
