

ONEANSWER KIWISAVER SCHEME

PRODUCT DISCLOSURE STATEMENT

1 AUGUST 2024

ISSUER AND MANAGER:
ANZ NEW ZEALAND
INVESTMENTS LIMITED

This product disclosure statement replaces the product disclosure statement dated 3 August 2023.

This document gives you important information about this investment to help you decide whether you want to invest. There is other useful information about this offer on disclose-register.companiesoffice.govt.nz.

ANZ New Zealand Investments Limited has prepared this document in accordance with the Financial Markets Conduct Act 2013. You can also seek advice from a financial advice provider to help you to make an investment decision.

1. KEY INFORMATION SUMMARY

What is this?

This is a managed investment scheme. Your money will be pooled with other investors' money and invested in various investments. ANZ New Zealand Investments Limited (**ANZ Investments, we, us and our**) will invest your money and charge you a fee for its services. The returns you receive are dependent on the investment decisions of ANZ Investments and the performance of the investments. The value of those investments may go up or down. The types of investments and the fees you will be charged are described in this document.

What will your money be invested in?

OneAnswer KiwiSaver Scheme (**scheme**) offers 14 funds. There is also a Lifetimes option, where your KiwiSaver savings are invested in one of our funds, based on your age.

These investment options are summarised on pages 2 to 5.

 More information about the investment target and strategy for each investment option is provided at page 12 to page 15.

Who manages the scheme?

ANZ Investments is the manager of the scheme.

 See section 7 of the PDS (Who is involved?).

How can you get your money out?

You can usually begin withdrawing your KiwiSaver savings when you turn 65.

In limited circumstances, you may be able to withdraw some, or all, of your KiwiSaver savings early.

 See section 2 of the PDS (How does this investment work?).

How will your investment be taxed?

The scheme is a portfolio investment entity (**PIE**).

The amount of tax you pay in respect of a PIE is based on your prescribed investor rate (**PIR**). This can be 10.5%, 17.5% or 28%.

 See section 6 of the PDS (What taxes will you pay?).

Where can you find more key information?

ANZ Investments is required to publish quarterly updates for each fund. The updates show the returns, and the total fees actually charged to investors, during the previous year. The latest fund updates are available at anz.co.nz/OA-kiwisaverperformance. The manager will also give you copies of those documents on request.

Multi-asset-class funds

Fund	Description Invests in:	Investment objectives Aims to achieve over the long term:	Risk indicator	Estimated annual fund charge (percentage of net asset value of the fund)	Lifetimes option age range
High Growth Fund	Growth assets, with a very small exposure to income assets.	<ul style="list-style-type: none"> higher returns, and allowing for larger ups and downs in value. 	Lower risk Potentially lower returns  Higher risk Potentially higher returns	0.99%	–
Growth Fund	Mainly growth assets, with a small exposure to income assets.	<ul style="list-style-type: none"> high returns, and allowing for large ups and downs in value. 	Lower risk Potentially lower returns  Higher risk Potentially higher returns	0.99%	0-35
Balanced Growth Fund	Mainly growth assets, with some exposure to income assets.	<ul style="list-style-type: none"> moderate to high returns, and allowing for moderate to large ups and downs in value. 	Lower risk Potentially lower returns  Higher risk Potentially higher returns	0.95%	36-45
Balanced Fund	Similar amounts of income assets and growth assets.	<ul style="list-style-type: none"> moderate returns, and allowing for moderate ups and downs in value. 	Lower risk Potentially lower returns  Higher risk Potentially higher returns	0.91%	46-55
Conservative Balanced Fund	Mainly income assets, with some exposure to growth assets.	<ul style="list-style-type: none"> low to moderate returns, and allowing for small to moderate ups and downs in value. 	Lower risk Potentially lower returns  Higher risk Potentially higher returns	0.76%	56-60
Conservative Fund	Mainly income assets, with a smaller exposure to growth assets.	<ul style="list-style-type: none"> low relatively stable returns, and allowing for small ups and downs in value. 	Lower risk Potentially lower returns  Higher risk Potentially higher returns	0.64%	61-64

 See page 17 for an explanation of the risk indicator and for information about other risks that are not included in the risk indicator. To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at sorted.org.nz/tools/investor-profiler.

*The High Growth Fund opened for investment on 3 August 2023. The risk indicator is based on returns data for the five years ended 30 June 2024. In calculating the risk indicator, a mix of the fund's actual returns and market index returns has been used. Market index returns have been used for the period 1 July 2019 to 31 July 2023. As a result, the risk indicator may provide a less reliable indicator of the potential future volatility of the fund.

Single-asset-class funds

Fund	Description Invests in:	Investment objectives Aims to achieve:	Risk indicator	Estimated annual fund charge (percentage of net asset value of the fund)	Lifetimes option age range		
Cash Fund	Cash and cash equivalents.	Over the short term lower but stable returns, allowing for smaller ups and downs in value.	Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	0.26%	65+
New Zealand Fixed Interest Fund	Mainly New Zealand fixed interest assets.	A positive yearly return (after the fund charge and before tax) that over the long term is broadly in line with the relevant market index.	Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	0.37%	–
International Fixed Interest Fund	Mainly international fixed interest assets.		Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	0.53%	–
Australasian Property Fund	Mainly New Zealand and Australian listed property assets.	A positive yearly return (after the fund charge and before tax) that over the long term outperforms the relevant market index.	Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	1.03%	–
International Property Fund	Mainly international listed property assets.		Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	1.03%	–
Australasian Share Fund	Mainly New Zealand and Australian equities.	A positive yearly return (after the fund charge and before tax) that over the long term outperforms the relevant market index.	Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	1.02%	–
International Share Fund	Mainly international equities.		Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	1.00%	–
Sustainable International Share Fund	Mainly international equities with a focus on environmental, social and governance (ESG) considerations.		Lower risk Potentially lower returns	1 2 3 4 5 6 7	Higher risk Potentially higher returns	0.95%	–

Important

For information on the relevant market index for each fund, see anz.co.nz/OA-kiwisaverperformance.

See page 17 for an explanation of the risk indicator and for information about other risks that are not included in the risk indicator. To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at sorted.org.nz/tools/investor-profiler.

2. HOW DOES THIS INVESTMENT WORK?

This scheme is a trust, registered under the Financial Markets Conduct Act 2013 as a KiwiSaver scheme.

KiwiSaver is a long-term savings initiative, designed to help you save for your retirement. Generally, you can only access your KiwiSaver savings when you turn 65.

 See page 10.

Your KiwiSaver account may be made up of contributions from you, your employer and the Government. These contributions are invested in a fund, or funds, of your choice.

What is a fund?

A fund is a pool of money made up of the contributions of the members invested in that fund, and investment returns. A fund invests in one or more asset classes, with the aim of growing the savings in your account over time.

The scheme has 14 funds, each with different levels of risk and expected return.

The assets of one fund cannot be applied to meet the liabilities of any other fund.

How your savings are invested in a fund

Every time a contribution is made to your KiwiSaver account, you receive units in the fund, or funds, you're invested in. The number of units you receive depends on the price of the units at the time of the contribution. The price of a unit depends on the value of the fund. The number of units you have, when multiplied by the unit price, represents the value of your KiwiSaver savings in a fund, excluding unpaid tax or tax rebates.

The savings in your KiwiSaver account grow when your fund's unit price increases. This will happen when the assets that the fund invests in increase in value. Your savings can also go down when the assets the fund invests in decrease in value.

THE BENEFITS OF OUR INVESTMENT APPROACH

Providing you with a range of single and multi-asset-class investment options.

Our funds invest in a wide range of assets.

We aim to select assets that we believe will perform strongly over the long term.

Our team does the research and work for you.

How do I choose a fund?

You decide which of the funds you invest in. You choose by selecting:

- one or more of our funds

OR

- our Lifetimes option, where your KiwiSaver savings are moved through some of our funds based on your age.

 See page 12 to 15.

If you don't tell us your choice, and we:

- know your date of birth, your savings will be invested in our Lifetimes option
- don't know your date of birth, your savings will be invested in our Conservative Fund.

 For help choosing a fund, you can seek financial advice or go to anz.co.nz/OA-choose-fund.

Joining the scheme

If you're a KiwiSaver member

If you're already a KiwiSaver member, you can transfer to the scheme at any time. Please compare your current scheme and consider any benefits you currently receive before transferring schemes.

If you're not a KiwiSaver member

To be eligible to join KiwiSaver, you must be:

- a New Zealand citizen or entitled to remain in New Zealand indefinitely, and
- living or normally living in New Zealand.

To join the scheme, complete and send us the relevant application form. Alternatively, you can speak with your financial adviser.

If you've been automatically enrolled in KiwiSaver

If you were automatically enrolled and KiwiSaver isn't for you, you have 56 days from, and including, the day you start your new job to opt out.

 Get an opt-out request form (KS10) at anz.co.nz/OA-documents.

Making investments

Contributions can be made to your KiwiSaver account as follows.

Employee contributions

These must be a minimum of 3% of your before-tax pay. Your employer will deduct this from your after-tax pay.

You can choose, or change to, a contribution rate of 3%, 4%, 6%, 8% or 10% by contacting your employer, us or Inland Revenue.

 See anz.co.nz/OA-contributions.

Savings suspension

You can apply to stop contributions from your pay – but not until 12 months after your first KiwiSaver contribution is paid to Inland Revenue (unless you're in financial hardship).

 See ird.govt.nz/kiwisaver.

Employer contributions

Your employer is generally required to contribute at least 3% of your before-tax pay, if you:

- are making employee contributions
- are 18 to 64, and
- haven't made a life-shortening congenital conditions withdrawal.

If you have a total remuneration employment agreement, your employer's contributions may come out of your total pay.

Your employer's contribution is taxed. This tax is called employer's superannuation contribution tax. You can find out more on this from Inland Revenue.

If you're 65 or older or if you make a life-shortening congenital conditions withdrawal

You're not required to contribute, but your:

- employee contributions will continue unless you ask your employer to stop them, and
- employer contributions will be at the discretion of your employer.

You can still make voluntary contributions.

Already in another superannuation scheme?

Joining KiwiSaver may affect employer contributions to your existing superannuation scheme and you may be required to contribute to both your KiwiSaver account and superannuation scheme.

Voluntary contributions

You can make voluntary contributions by:

Internet banking, phone banking or in branch

Select 'OneAnswer KiwiSaver Scheme' from the Bill Payee list, or make payment to:

01-0102-0952731-01

ANZ Internet Banking or goMoney

Pay to your KiwiSaver account.

Direct debit

Complete the direct debit form at the back of this PDS.

Important:

- Include your surname, date of birth and investor number as references or we can't credit your KiwiSaver account with your contribution.
- It usually takes up to five business days for a voluntary contribution to reach your KiwiSaver account.

Government contributions

If you're eligible, the Government contributes 50 cents for every \$1 you contribute, up to a maximum Government contribution of \$521.43 a year (from 1 July to 30 June).

 See the guide.

Transfers from an Australian complying superannuation scheme

If you've permanently emigrated from Australia to New Zealand, you can apply to transfer your Australian superannuation into your KiwiSaver account.

 See anz.co.nz/OA-aussiesuper.

Some conditions apply to the money transferred.

 See the following page.

Withdrawing your investments

Retirement withdrawal

You can begin withdrawing your KiwiSaver savings when you turn 65.

There are three options:

1. Leave your savings in your KiwiSaver account.
2. Withdraw some of your savings.

You can make regular withdrawals of at least \$200 per fortnight, \$400 per month or \$1,000 per quarter. Or you can withdraw instalments when you need them (the minimum lump sum amount is \$1,000). We can change the minimum withdrawal amounts at any time.

3. Withdraw all of your savings and close your account.

If you choose option one or two, you can contribute, and employer contributions will be at the discretion of your employer.

 See anz.co.nz/OA-retirement.

First home withdrawal

You may be able to make a withdrawal to buy a home, or land to build on.

You can make a withdrawal if **all** of the following apply:

- you've been a member of a KiwiSaver scheme or complying superannuation fund (if you transferred from that fund) for a combined total of at least three years
- you intend to live mostly in the property you're buying
- you've never before owned your own property (except for a few limited circumstances)
- you've not made a first home withdrawal before
- the property you're buying is in New Zealand.

You must keep \$1,000 in your KiwiSaver account plus any amount transferred from an Australian complying superannuation scheme.

 See anz.co.nz/OA-kiwisaverfirsthome.

Early withdrawals

Significant financial hardship

You may be able to make an early withdrawal if you're unable to meet essential expected costs such as living and medical costs. Other circumstances can also count as significant financial hardship.

You cannot withdraw the kick-start (if applicable) or any Government contributions. You'll receive the amount that, in the supervisor's opinion, is needed to alleviate your hardship.

Serious illness

You may be able to make an early withdrawal if you have an injury, illness or disability that means you are:

- totally and permanently unable to work at a job that your education, training or experience makes you suited to, or
- at serious risk of dying very soon.

The supervisor will determine whether you're eligible for a serious illness withdrawal.

Life-shortening congenital conditions

You may be able to make an early withdrawal if you were born with a condition that is expected to reduce life expectancy below 65.

The supervisor will determine whether you're eligible for a life-shortening congenital conditions withdrawal.

If you make a withdrawal, you'll no longer be eligible to receive any Government contributions and your employer can stop their contributions.

Permanent emigration to Australia

If you've left New Zealand to live permanently in Australia, you can transfer your KiwiSaver savings to an Australian complying superannuation scheme that accepts the transfer.

Permanent emigration to countries other than Australia

If at least one year has passed since you left New Zealand to live permanently overseas, other than to Australia, you can make an early withdrawal.

You cannot withdraw the Government contributions or any amount transferred from an Australian complying superannuation scheme.

Australian savings at age 60

If you've transferred your savings from an Australian complying superannuation scheme and you're retired, you may be able to withdraw those savings when you turn 60.

Other ways to withdraw

- If you've transferred savings from a foreign superannuation scheme to a KiwiSaver scheme, you may be required to pay additional tax or make a student loan repayment. If so, you may be able to withdraw some of your KiwiSaver savings for the repayment.
- If you die while you're a member of the scheme, your KiwiSaver savings will generally be paid to your estate. If your balance is \$15,000 or less, your savings may be paid to a family member or other person authorised under the Administration Act 1969.
- Some laws, such as the Property (Relationships) Act 1976, may require us to pay some or all of your KiwiSaver savings to someone else.
- You can transfer to another KiwiSaver scheme at any time, if the other provider accepts the transfer.

 See anz.co.nz/OA-kiwisaverwithdrawals.

We can postpone withdrawals in certain limited circumstances set out in the governing document.

How to switch between funds

You can switch your KiwiSaver savings between funds within the scheme, or switch between funds and our Lifetimes option. To make a switch:

- talk to your financial adviser
- log onto ANZ Internet Banking or goMoney
- call 0800 736 034, or
- complete a change form at anz.co.nz/OA-documents.

We can set requirements for switching, including minimum switch amounts and restrictions on redirecting contributions to another fund.

We can postpone switches in certain limited circumstances set out in the governing document.

3. DESCRIPTION OF YOUR INVESTMENT OPTIONS

Multi-asset-class funds

Fund	Description Invests in:	Target investment mix summary	Investment objectives Aims to achieve over the long term:	Risk indicator Rated from 1 (low) to 7 (high)	Minimum suggested timeframe for holding the investments	Lifetimes option age range
High Growth Fund	Growth assets, with a very small exposure to income assets.	 <ul style="list-style-type: none"> 5% 10.5% 81% 3.5% 	<ul style="list-style-type: none"> higher returns, and allowing for larger ups and downs in value. 	5*	9 years	–
Growth Fund	Mainly growth assets, with a small exposure to income assets.	 <ul style="list-style-type: none"> 4% 16% 9% 68% 3% 	<ul style="list-style-type: none"> high returns, and allowing for large ups and downs in value. 	5	7 years	0-35
Balanced Growth Fund	Mainly growth assets, with some exposure to income assets.	 <ul style="list-style-type: none"> 6% 29% 7.5% 55% 2.5% 	<ul style="list-style-type: none"> moderate to high returns, and allowing for moderate to large ups and downs in value. 	5	6 years	36-45
Balanced Fund	Similar amounts of income assets and growth assets.	 <ul style="list-style-type: none"> 10% 40% 6% 42% 2% 	<ul style="list-style-type: none"> moderate returns, and allowing for moderate ups and downs in value. 	4	5 years	46-55
Conservative Balanced Fund	Mainly income assets, with some exposure to growth assets.	 <ul style="list-style-type: none"> 15% 50% 4.5% 29% 1.5% 	<ul style="list-style-type: none"> low to moderate returns, and allowing for small to moderate ups and downs in value 	4	5 years	56-60
Conservative Fund	Mainly income assets, with a smaller exposure to growth assets.	 <ul style="list-style-type: none"> 20% 60% 2.25% 17% 0.75% 	<ul style="list-style-type: none"> low relatively stable returns, and allowing for small ups and downs in value. 	4	4 years	61-64

Key

Income assets: ● Cash and cash equivalents ● New Zealand and international fixed interest
Growth assets: ● Listed property ● Australasian and international equities
 ● Other (listed infrastructure) ● Other (alternatives)

Important

- We do not guarantee that each fund's investment objectives will be achieved.
- For the Lifetimes option, your savings will be invested in one of our funds based on your age, as shown above and over the page. When you reach the next age range, we move your savings to the fund for your age. Lifetimes doesn't take your personal circumstances – or any other factors, such as market conditions – into account, so it might not be right for you.
- Further information about the assets in each fund can be found in the fund updates at anz.co.nz/OA-kiwisaverperformance.

*The High Growth Fund opened for investment on 3 August 2023. The risk indicator is based on returns data for the five years ended 30 June 2024. In calculating the risk indicator, a mix of the fund's actual returns and market index returns has been used. Market index returns have been used for the period 1 July 2019 to 31 July 2023. As a result, the risk indicator may provide a less reliable indicator of the potential future volatility of the fund.

Single-asset-class funds

Fund	Description Invests in:	Target investment mix summary	Investment objectives Aims to achieve:	Risk indicator Rated from 1 (low) to 7 (high)	Minimum suggested timeframe for holding the investments	Lifetimes option age range
Cash Fund	Cash and cash equivalents.	100% Cash and cash equivalents	Over the short term lower but stable returns, allowing for smaller ups and downs in value.	2	–	65+
New Zealand Fixed Interest Fund	Mainly New Zealand fixed interest assets.	100% Fixed interest	A positive yearly return (after the fund charge and before tax) that over the long term is broadly in line with the relevant market index.	3	5 years	–
International Fixed Interest Fund	Mainly international fixed interest assets.	100% Fixed interest		4	5 years	–
Australasian Property Fund	Mainly New Zealand and Australian listed property assets.	100% Listed property	A positive yearly return (after the fund charge and before tax) that over the long term outperforms the relevant market index.	6	10 years	–
International Property Fund	Mainly international listed property assets.	100% Listed property		6	10 years	–
Australasian Share Fund	Mainly New Zealand and Australian equities.	100% Equities	A positive yearly return (after the fund charge and before tax) that over the long term outperforms the relevant market index.	5	10 years	–
International Share Fund	Mainly international equities.	100% Equities		5	10 years	–
Sustainable International Share Fund	Mainly international equities with a focus on environmental, social and governance (ESG) considerations.	100% Equities		5	10 years	–

Important

- We do not guarantee that each fund's investment objectives will be achieved.
- For the Lifetimes option, your savings will be invested in one of our funds based on your age, as shown above and on the previous page. When you reach the next age range, we move your savings to the fund for your age. Lifetimes doesn't take your personal circumstances – or any other factors, such as market conditions – into account, so it might not be right for you.
- Further information about the assets in each fund can be found in the fund updates at anz.co.nz/OA-kiwisaverperformance.
- For information on the relevant market index for each fund, see anz.co.nz/OA-kiwisaverperformance.

More information about how our funds invest

Our statement of investment policy and objectives (**SIPO**) contains information about how our funds invest. It details the objectives, strategies, target investment mix and ranges, and underlying external fund managers.

We use underlying funds

Our funds invest in underlying funds that we manage. The assets of the underlying funds can be selected by us or external fund managers.

We vary the investment mix

We vary the investment mix by adjusting allocations to asset classes depending on how we expect them to perform and to manage risk and cash flow.

We can make changes to our investment options

We can make changes to the SIPO after consulting with the supervisor without letting you know. Material changes to the SIPO will be included in the scheme's annual report.

 The current SIPO is available at anz.co.nz/OA-documents and on the offer register at disclose-register.companiesoffice.govt.nz.

We can also make changes to the age ranges and associated funds within our Lifetimes option, or remove the Lifetimes option, at any time. If we do, we'll tell everyone who is invested in the Lifetimes option.

Responsible investment

Responsible investment, including environmental, social, and governance considerations, is taken into account in the investment policies and procedures of the scheme as at the date of this product disclosure statement. You can obtain an explanation of the extent to which responsible investment is taken into account in those policies and procedures at anz.co.nz/OA-responsibleinvesting.

All funds in the scheme invest in line with our Responsible Investment Framework. In addition, the Sustainable International Share Fund has specific sustainability-linked goals, which we monitor and measure on a quarterly basis. For more information on these goals, see the SIPO. Our quarterly reporting against these goals is available at anz.co.nz/OA-responsibleinvesting.

As part of our commitment to responsible investing, we are a signatory to the internationally recognised Principles for Responsible Investment (**PRI**). For more information, including our reporting to PRI, see our Responsible Investment Framework.

 Our Responsible Investment Framework is available at anz.co.nz/OA-responsibleinvesting.

4. WHAT ARE THE RISKS OF INVESTING?

Understanding the risk indicator

Managed funds in New Zealand must have a standard risk indicator. The risk indicator is designed to help investors understand the uncertainties both for loss and growth that may affect their investment. You can compare funds using the risk indicator.

 See pages 12 to 15 for the risk indicators that apply to each of our funds.

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the fund's assets goes up and down (volatility). A higher risk generally means higher potential returns over time, but more ups and downs along the way.

 To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at sorted.org.nz/tools/investor-profiler.

Note that even the lowest category does not mean a risk-free investment, and there may be other risks that are not captured by this rating.

This risk indicator is not a guarantee of a fund's future performance. The risk indicator is based on the returns data for the five years to 30 June 2024. While risk indicators are usually relatively stable, they do shift from time to time. You can see the most recent risk indicator in the latest fund update for each fund.

General investment risks

Some of the things that may cause a fund's value to move up and down, which affect the risk indicator, are:

 **Market risk**
Risk that the market value of investments may change due to a number of factors. These can include changes in economies, world events (such as pandemics), environmental events, climate change, the performance of individual entities, regulatory changes, investor sentiment, political events, inflation, and interest and currency rates.

Single-asset-class funds don't benefit from diversification across asset classes and poor performance within the asset class may have a significant effect on the fund.

 **Asset allocation risk**
Risk of changes in the value of the fund due to exposure to riskier assets. Funds that invest in more growth assets (equities, listed property, listed infrastructure) generally go up and down in value more over the short term than funds that invest in

more income assets (cash and cash equivalents, fixed interest).

 **Credit risk**
Risk that an investment in cash, fixed interest or derivatives may be impacted if an issuer or entity is unable or unwilling to repay what they owe.

For example, if an issuer of a fixed interest investment is not able to pay interest or repay all the principal, returns of the fund could be lower.

 **Currency risk**
Risk that changes in currency exchange rates will affect the value of the fund. Investments denominated in foreign currencies are exposed to currency risk.

For example, for a fund with foreign currency exposure, if the New Zealand dollar increases in value against a given foreign currency, all else being equal, the New Zealand dollar value of the fund will fall.

 **Interest rate risk**
Risk that the market value of an investment may change due to changes in interest rates.

For example, the market value of fixed interest investments will fall if interest rates in the market increase.

 **Liquidity risk**
Risk that an asset cannot be sold at the desired time or at a reasonable value.
Liquidity risk may impact your ability to withdraw, transfer or switch your investment.

 **Active management risk**
Risk that arises from our, or our external fund managers', active management of investments.

As an active manager, we make decisions about what proportion of each asset class to hold, what assets to hold, and the level of currency exposure. If we, or our external fund managers, choose investments that underperform, the value of the fund may fall.

 **Derivative risk**
Risk that arises from the use of derivatives where the value is derived from the performance of another asset, an index (such as a share market index), an interest rate or an exchange rate.

For example, investment losses could be caused by changes in the value of the underlying assets, indices or rates.

 For more information on these risks, and other general risks, see the 'other material information' document available at anz.co.nz/OA-documents and on the offer register at disclose-register.companiesoffice.govt.nz.

5. WHAT ARE THE FEES?

You will be charged fees for investing in the scheme. Fees are deducted from your investment and will reduce your returns. If ANZ Investments invests in other funds, those funds may also charge fees. The fees you pay will be charged in two ways:

- regular charges (for example, annual fund charges). Small differences in these fees can have a big impact on your investment over the long term
- one-off fees (currently none).

Annual fund charges

Fund	Estimated annual fund charge* (percentage of net asset value of each fund)
High Growth Fund	0.99%
Growth Fund	0.99%
Balanced Growth Fund	0.95%
Balanced Fund	0.91%
Conservative Balanced Fund	0.76%
Conservative Fund	0.64%
Cash Fund	0.26%
New Zealand Fixed Interest Fund	0.37%
International Fixed Interest Fund	0.53%
Australasian Property Fund	1.03%
International Property Fund	1.03%
Australasian Share Fund	1.02%
International Share Fund	1.00%
Sustainable International Share Fund	0.95%

* The annual fund charge is capped, so you won't pay more than the amounts above. However, the actual annual fund charge you pay may be lower than these amounts because, when calculating them, we estimate the supervisor's fee, expenses of the funds, and fees and expenses of underlying funds.

The annual fund charge:

- is made up of our management fee, the supervisor's fee, fund expenses, and fees and expenses of underlying funds
- is calculated as a percentage of the net asset value of the fund
- includes GST where applicable
- is calculated daily and reduces a fund's unit price.

You can find more information on how our annual fund charge is calculated in the 'other material information' document available at anz.co.nz/OA-documents and on the offer register at disclose-register.companiesoffice.govt.nz.

Other charges

We don't currently charge any membership, contribution, establishment, switching, termination or withdrawal fees.

No additional fee for selecting the Lifetimes option

For Lifetimes, you'll be charged the annual fund charge for the fund you're invested in.

The fees can be changed

We can agree to reduce fees for some groups of members.

We can change fees from time to time, and can introduce new fees, in line with the governing document. However, fees and expenses must not be unreasonable. If we increase fees or introduce new fees, we'll let you know.

We must publish a fund update for each fund showing the fees actually charged during the most recent year.

 Fund updates, including past updates, are available at anz.co.nz/OA-kiwisaverperformance.

EXAMPLE OF HOW FEES APPLY TO AN INVESTOR

Daniel invests \$10,000 in the Balanced Fund.

He is not charged an establishment or contribution fee.

This means the starting value of his investment is \$10,000.

He is charged management and administration fees, which work out to about \$91 (0.91% of \$10,000).

These fees might be more or less if his account balance has increased or decreased over the year.

Estimated total fees for the first year

Fund charges: \$91

See the latest fund update for an example of the actual returns and fees investors were charged over the past year.

This example applies only to the Balanced Fund. If you are considering investing in other funds or investment options in the scheme, this example may not be representative of the actual fees you may be charged.

6. WHAT TAXES WILL YOU PAY?

The scheme is a portfolio investment entity. The amount of tax you pay is based on your prescribed investor rate (**PIR**). To determine your PIR, go to ird.govt.nz/roles/portfolio-investment-entities/find-my-prescribed-investor-rate. If you are unsure of your PIR, we recommend you seek professional advice or contact Inland Revenue.

It is your responsibility to tell us your PIR when you invest or if your PIR changes. If you do not tell us, a default rate may be applied. If the rate applied to your PIE income is lower than your correct PIR, you will be required to pay any tax shortfall as part of the income tax year-end process. If the rate applied to your PIE income is higher than your PIR, any tax over-withheld will be used to reduce any income tax liability you may have for the tax year and any remaining amount will be refunded to you.

We may be notified by Inland Revenue to update your PIR if they believe it is incorrect. We are required to apply this updated PIR. However, you can provide us with a different PIR if you believe this is incorrect.

Provided we have the correct PIR, there is nothing you need to do. We arrange for all taxes that apply to your KiwiSaver account to be paid (or refunded). This is done by cancelling (or issuing) units in your KiwiSaver account. We do this at the end of the tax year (following 31 March), or earlier if:

- you withdraw, transfer or switch all of your savings from a fund
- the value of your units is so low that it doesn't meet your expected tax liability.

Provide us with the right PIR

Make sure you provide us with the right PIR so you pay the correct tax on your investment. For help to determine your PIR, please see anz.co.nz/OA-pirupdate, call us on 0800 736 034, or consult a tax adviser.

7. WHO IS INVOLVED?

ANZ Investments is the manager

We're the manager of the scheme, responsible for its management and administration.

Contact us at:

 service@anzinvestments.co.nz

 0800 736 034

 ANZ Investments – Customer Services
Freepost 324, PO Box 7149, Victoria Street West
Auckland 1142

We're a wholly owned subsidiary of ANZ Bank New Zealand Limited.

ANZ Investments is not an authorised deposit-taking institution (**ADI**) under Australian law and investments in the scheme aren't deposits in or liabilities of ANZ Bank New Zealand Limited, Australia and New Zealand Banking Group Limited, or their subsidiaries (together '**ANZ Group**'). ANZ Group doesn't stand behind or guarantee ANZ Investments. Investments in the scheme are subject to investment risk, including possible delays in repayment, and loss of income and principal invested. ANZ Group won't be liable to you for the capital value or performance of your investment.

Your investment in the scheme isn't guaranteed by ANZ Group, The New Zealand Guardian Trust Company Limited, any of their directors or any other person. The Government doesn't guarantee any KiwiSaver scheme or any fund in any KiwiSaver scheme.

Who else is involved?

	Name	Role
Supervisor and custodian	The New Zealand Guardian Trust Company Limited	<p>The supervisor is a licensed supervisor who is independent of us.</p> <p>They supervise how we manage the scheme, for the benefit of you and other members.</p> <p>As the custodian, they hold the scheme's assets 'in trust' for you, entirely separate from both their assets and our assets.</p>

8. HOW TO COMPLAIN

Contact your adviser first

If you have any problems with the scheme, please contact your financial adviser.

Contact us second

If you don't have a financial adviser, or if your financial adviser has been unable to help, please contact us. As the manager of the scheme, we'll try to resolve your complaint within five business days. Our complaints process is set out in full at anz.co.nz.

 service@anzinvestments.co.nz

You won't be charged a fee

You won't be charged a fee by us, the supervisor or the dispute resolution scheme for investigating or resolving a complaint.

9. WHERE YOU CAN FIND MORE INFORMATION

Further information about the scheme is available:	
In our guide	A helpful guide to the scheme, including information about how to choose a fund and make the most of KiwiSaver.
On our website	Information and resources to help you manage your KiwiSaver account.  anz.co.nz/OA-kiwisaver .
On Disclose	Disclose is a website that contains an offer register and a scheme register. These include current information on the scheme, including the governing document, financial statements, SIPO, 'other material information' document, fund updates and PDS. Search 'OneAnswer KiwiSaver Scheme' on both the offer and scheme registers.  disclose-register.companiesoffice.govt.nz .

You can make a request to the Registrar of Financial Service Providers for a copy of the information on Disclose.
You can also obtain a free copy of the information set out above by contacting us.

10. HOW TO APPLY

To join the scheme complete and send us the relevant application form. You may also wish to speak with your financial adviser.

ONEANSWER KIWISAVER SCHEME

FORM A - APPLICATION FORM (18 OR OVER)

Product disclosure statement (PDS) dated 1 August 2024

You can take this completed form to an ANZ branch, email it to us at registry@anzinvestments.co.nz or post it to: **OneAnswer KiwiSaver Scheme, ANZ Investments, Freepost 324, PO Box 7149, Victoria Street West, Auckland 1142.** If you are emailing us this form, you do not need to post it to us.

1. Your information

I am 18 or older and my date of birth is (if you're under 18, complete Form B)

Mr Miss Mrs Ms Other

Gender

First Name(s)

Surname

Home address

Postcode

Postal address (if different from your home address)

Postcode

Home phone

Mobile

Email

Country of birth

Occupation

Are you a New Zealand citizen or entitled to remain in New Zealand indefinitely and living or normally living in New Zealand?

Yes No

IRD number (must be completed) (call Inland Revenue on 0800 775 247 for help)

Prescribed investor rate 10.5% 17.5% 28% (visit anz.co.nz/OA-pirupdate or call 0800 736 034 for help)

ANZ customer (or investor) number (if known)

2. Contributions

From your pay if you're an employee

If you're new to KiwiSaver, you can confirm your contribution rate here and we'll pass this to Inland Revenue who will then pass to your employer.

3% 4% 6% 8% 10%

If you don't choose a contribution rate, you will contribute 3%.

Voluntary contributions for anyone

I (or a third party on my behalf) will make:

regular contributions by direct debit (complete and include Form C)

a contribution of \$ (see page 9 for ways you can make voluntary contributions)

Total (must total 100%) %

4. Confirming your identity (tick the documents you're sending us)

We'll need to verify:

(A) your identity by receiving a certified or verified copy of **one** of the following (which must be current and signed by you):

passport firearms licence

(B) your residential address by receiving a certified or verified copy of **one** of the following (which can't be more than six months old):

bank statement or bank document issued to you by a registered bank utility bill
 Central Government Agency document e.g. IRD, ACC

If you have an adviser, they can verify these documents for you. If you don't have any of these documents, see anz.co.nz/OA-myid for our full list of acceptable documents. This website also describes other ways documents can be certified.

5. Your checklist

- Have **all** sections of this application form been correctly completed? If you need assistance, please contact us on 0800 736 034 (weekdays, 8am to 6pm).
- Have you included certified/verified evidence of your identity, such as a current passport?
- Have you included certified/verified evidence of your residential address such as a utility bill, Government agency document, bank statement or bank document issued to you by a registered bank?

6. What to expect next

- Once you've submitted your application, you'll receive a text/email confirming it's been received and we're checking all documents have been provided.
- If we require any additional information or documents, we'll contact you using the mobile, email and/or postal address you've provided.
- Once we have all the documents required, we'll begin processing your application.
- We aim to process your application – and show your KiwiSaver account in ANZ Internet Banking and ANZ goMoney – within five business days, if you give us all the information we need. If we have to ask for more information, this may cause delays in the processing of your application.
- Once we've processed your application, you'll receive a text/email confirming it's now complete, and an enrolment confirmation letter will be sent to the postal address you've provided.

Continued on the next page.

ONEANSWER KIWISAVER SCHEME

7. Your agreement

By signing this application form, you confirm that you have received and read the OneAnswer KiwiSaver Scheme product disclosure statement dated 1 August 2024 and that you agree to be bound by the OneAnswer KiwiSaver Scheme's terms and conditions. These are set out in the product disclosure statement, online register entry, application form and governing document. You are also confirming that you understand:

- your contributions will be deducted from your pay (if you're an employee)
- you cannot generally cash in your investment before you reach your retirement withdrawal age (see section 2 of the PDS (How does this investment work?) for more information)
- the value of your investment can move up and down over time
- the savings in your KiwiSaver account are not guaranteed by anyone
- if applicable, you have considered and compared the benefits of your current scheme before transferring to the OneAnswer KiwiSaver Scheme
- if applicable, you have personally affixed your digital signature to this application form
- by providing your email address, you agree to receive emails from ANZ Investments (or its related companies) about your investment (including annual reports) and, from time to time, any other relevant product or service offers
- by providing a mobile number, you agree to receive text messages from ANZ Investments (or its related companies)
- that you consent to receiving information about your investment in the OneAnswer KiwiSaver Scheme, including personalised annual account and tax statements, electronically, including via ANZ Internet Banking or ANZ goMoney
- that ANZ New Zealand Investments Limited is not an authorised deposit-taking institution (ADI) under Australian law and investments in the OneAnswer KiwiSaver Scheme are not deposits in or liabilities of ANZ Bank New Zealand Limited, Australia and New Zealand Banking Group Limited or their subsidiaries (together 'ANZ Group'). ANZ Group does not stand behind or guarantee ANZ New Zealand Investments Limited. Investments in the scheme are subject to investment risk, including possible delays in repayment, and loss of income and principal invested. ANZ Group will not be liable to you for the capital value or performance of your investment
- that information about you will be collected and held by ANZ Investments, the supervisor and the ANZ Group who may:
 - use your information and disclose it to each other and any other party (including any regulatory or government agencies such as Inland Revenue) to administer your investment account and promote to you and administer other products offered by ANZ Investments or our related companies
 - use your information and disclose it to each other and any other party (including any regulatory or government agencies) to comply, or decide what to do to comply, with any law in New Zealand or overseas applying to us, you or the accounts, products or services we provide you
 - use your information and disclose it to any regulatory or government agency for that party to prepare depersonalised and aggregated industry level reporting
 - provide your information, including a copy of your identification documentation, to Inland Revenue to allow us and Inland Revenue to administer your KiwiSaver account
 - disclose your information to your financial adviser (including their staff)
 - otherwise collect, use and disclose your information in accordance with our privacy statement, which is the same as ANZ Bank New Zealand Limited's and can be found in the Privacy at ANZ section on anz.co.nz. For example, our privacy statement includes how we use your information for data analysis and market research, and
- that you can access or correct your personal information by calling 0800 736 034 or asking at any ANZ branch. We may charge you a fee to access the information we have about you.

ONEANSWER KIWISAVER SCHEME

FORM C - DIRECT DEBIT FORM

Product disclosure statement (PDS) dated 1 August 2024

As an alternative to a direct debit, you can set up an automatic payment for any amount and frequency using internet banking. With automatic payments, there's no need for forms and you can make your own changes to your payments at any time.

If you would like to set up a direct debit, you can email this completed form to us at registry@anzinvestments.co.nz, take it to an ANZ branch or post it to: **OneAnswer KiwiSaver Scheme, ANZ Investments, Freepost 324, PO Box 7149, Victoria Street West, Auckland 1142.**

1. KiwiSaver member information

First Name(s)

Surname

ANZ customer (or investor) number (if known)

2. What would you like to do? (tick one)

- I want to set up a direct debit
- I want to change the details of an existing direct debit
- I want to cancel my existing direct debit

3. Contribution details

Contribution amount \$ Start date

Frequency (tick one) weekly fortnightly monthly quarterly annually

Please allow 10 business days for the direct debit to be established.

4. Direct Debit Authority (to be completed by the bank account holder)

Name of account to be debited (acceptor):

Name of bank:

Bank Branch Account Suffix

Initiator's Authorisation Code

Approved

From the acceptor to (my bank):
insert name of acceptor's bank

I authorise you to debit this account with the amounts of direct debits from **ANZ New Zealand Investments Limited** (the initiator) with the authorisation code specified on this authority in accordance with this authority until further notice.

I agree that this authority is subject to:

- The bank's terms and conditions that relate to this account, and
- The specific terms and conditions listed over the page.

If applicable, I confirm I have personally affixed my digital signature to this document.

Authorised signature/s:

Date

FORM
C

ONEANSWER KIWISAVER SCHEME

Specific conditions relating to notices and disputes

I may ask my bank to reverse a direct debit up to 120 calendar days after the debit if:

- I don't receive a written notice of the amount and date of each direct debit from the initiator, or
- I receive a written notice but the amount or the date of debiting is different from the amount or the date specified on the notice.

The initiator is required to give a written notice of the amount and date of each direct debit in a series of direct debits no less than two business days before the date of the first direct debit in the series. The notice is to include:

- the date of the debits, and
- the amount of each direct debit.

If the bank dishonours a direct debit but the initiator sends the direct debit again within five business days of the dishonour, the initiator is not required to give you a second notice of the amount and date of the direct debit.

If the initiator proposes to change an amount or date of a direct debit specified in the notice, the initiator is required to give you notice no less than 10 calendar days before the change.

I agree to any correspondence relating to this direct debit being sent to the KiwiSaver member.
