The Investment Management Team and how they work

We have delegated the investment management of the Scheme to KWILP under an administration and investment management agreement. However, we retain responsibility for the investments of the Scheme. We may also rely on KWILP to provide other services on our behalf.

The KWILP investment management team is a mixed discipline team, with senior level experience in all aspects of portfolio management across a broad range of global and domestic asset classes.

The key members of the investment management team are:

Member	Background
Simon O'Grady, Chief Investment Officer	Simon O'Grady is our Chief Investment Officer and leads the Investment Management Team, with overall responsibility for investment management processes and functions at Kiwi Wealth. An experienced senior executive with extensive hands-on experience across all assets classes and styles, Simon has a strong track record in building and operating successful investment management businesses in both New Zealand and Australia. Simon has spent over 25 years working in investment management, with previous experience in various senior management roles including stints heading the areas of investment strategy, fixed interest, asset allocation, global and alternatives in Australia. Prior to this, he was with the Reserve Bank of New Zealand, managing their foreign reserve investment portfolios. A CFA charter holder, Simon is also a fellow of the Financial Services Institute Australasia (F.FIN) and a current director of the CFA society. He is an Authorised Financial Adviser (AFA) and holds a Diploma in Bank Finance from Massey University.
Susan Easton, Head of Portfolio Management	Susan has overall responsibility of Kiwi Wealth's portfolio implementation. This includes the portfolio management and implementation of Kiwi Wealth's frameworks and processes including oversight of our investment risk management. Susan has over 30 years of investment experience across global markets, including equities, bonds and currency. She began her investment career at O'Connor Grieve covering NZ equities, before moving to portfolio management roles at ANZ Asset Management. Susan has been with Kiwi Wealth since 2006 and has a BA and Post Graduate Diploma in Accounting from Victoria University of Wellington.
Nathan Field Head of Thematic Equities	Nathan is the Portfolio Manager for the Global Thematic portfolio at Kiwi Wealth. He is responsible for portfolio construction, risk management and security selection. With 20 years' experience in the investment industry, Nathan's career has taken him from New Zealand, to Sydney and London. His extensive experience includes roles as a Senior Equity Analyst and Director at ABN Amro, and Asian Markets Advisor for Macquarie Bank, where he marketed investment ideas to hedge funds. Nathan has a BA (Hons) in Economics and a Post-Graduate Diploma in development studies from Massey University.
Diana Gordon, Head of Fixed Interest	Diana is responsible for Fixed Interest investing at Kiwi Wealth. Diana brings a breadth of experience to her role, as well as skills spanning multiple asset classes and a wide range of industries, across three continents – Europe, America and Australasia. Her expertise lies not only in her deep understanding of corporate analysis, but in her ability to look for relative value in multiple markets. She is adept at quickly assessing and acting on market-moving

Member	Background
	information, at both a macro and micro level, as well as looking for opportunities in volatile markets. Diana has over 25 years in investment industries, with experience running fixed interest portfolios in London and New York. She has worked in senior positions at Merrill Lynch, Goldman Sachs Asset Management and Saudi International Bank (an affiliate of JPMorgan). Diana joined Kiwi Wealth in 2012. Diana has a BSc in chemistry with specialisation in materials for microelectronics from Strathclyde University, as well as a PhD in chemistry from Cambridge University.
Steffan Berridge, Head of Quantitative Strategy	Steffan is responsible for Kiwi Wealth's quantitative investment strategy and is the Portfolio Manager for the Global Quantitative portfolio. He also leads the Responsible Investment strategy at Kiwi Wealth. Steffan has significant experience in both quantitative analysis and quantitative strategy, including developing, executing and risk-managing rule-based strategies. He also has a broad knowledge of global financial markets, from shares and bonds to futures, swaps and options. He combines this knowledge with a pragmatic hands-on approach, bringing together technical analysis with fundamental market understanding and actual client requirements to create investment portfolios that are well-positioned to deliver superior returns over time. Steffan has 15 years of experience in investment industries and joined Kiwi Wealth after nine years in London at AHL, one of the biggest managed futures funds in the world where his responsibilities were primarily in portfolio construction and risk management, and developing and managing the new research pipeline. Steffan has a BSc in maths and physics, a Masters of financial mathematics (insurance maths) from Victoria University, and a PhD in mathematical finance (high dimensional option pricing) from the University of Tilburg in the Netherlands

The investment management team may change at any time. For up-to-date information call the Kiwi Wealth KiwiSaver Scheme Customer Services team, 0800 427 384 or email questions@kiwiwealth.co.nz.

The investment management team is governed by the Statement of Investment Policy and Objectives (SIPO) and their activities and performance are overseen by the Investment Governance Committee, which is a subcommittee of the KWILP board.

KWILP may invest the Scheme's assets with a related party, provided that the transaction is conducted on commercial arm's length terms, or is otherwise in accordance with the requirements of the Financial Markets Conduct Act, and subject to the usual principles of prudence, liquidity and diversification.
