AMENDED AND RESTATED NOTE DEED POLL

Date: 17 May 2023 (amending and restating a Note Deed Poll dated 16 June 2017)

MADE BY

China Construction Bank (New Zealand) Limited (CN 4929019) ("**CCB NZ**")

INTRODUCTION

- A CCB NZ has established a wholesale programme under which it may issue Notes in the New Zealand capital markets from time to time ("**Debt Issuance Programme**") and a retail programme under which it may issue Notes in the New Zealand capital markets from time to time ("**Medium Term Note Programme**").
- B This deed amends and restates the note deed poll in relation to the Debt Issuance Programme and the Medium Term Programme dated 16 June 2017 (*Existing Note Deed Poll*), with effect on and from the date of this deed. Condition 21.2 of the Terms and Conditions permits CCB NZ to make certain variations to the Existing Note Deed Poll if, in the reasonable opinion of CCB NZ, the variation:
- a. is necessary or advisable to comply with any law or Directive;
 - b. is necessary to correct an obvious error, or otherwise of a formal, technical or administrative nature only;
 - c. is made to cure any ambiguity or correct or supplement any defective or inconsistent provision;
 - d. is not materially prejudicial to the interests of the Holders as a whole; or
 - e. only applies to Notes issued by CCB NZ after the date of the amendment.

CCB NZ is of the reasonable opinion that the variations contained in this deed are of a type described in Condition 21.2(a), (b) and (d) of the Terms and Conditions for each Series of outstanding Notes.

- C Notes issued by CCB NZ under this deed will be issued in registered form by inscription in the Register and constituted by this deed.

COVENANTS:

Definitions and interpretation provisions are set out in Condition 25.

CCB NZ is not required to issue any Notes under the Programmes.

2 Types and Conditions of Notes

Each Note issued under a Programme is subject to these terms and conditions as so supplemented, modified and/or replaced.

2.2 Series and Tranches of Notes

Notes are issued in Series.

Each Series of Wholesale Notes may comprise one or more Tranches on terms that are identical, except for their Issue Dates, Issue Prices, first Interest Payment Dates and/or Interest Commencement Dates.

Retail Notes may be issued in Series comprising one or more Tranches, or in Series without Tranches. Retail Notes in each Series shall:

- (b) in the case of a Series without Tranches, have terms that are identical, except for their Issue Dates, Maturity Dates, Issue Prices, Interest Payment Dates, Interest Commencement Dates and Interest Rates.

2.3 Types of Notes

A Note may be:

- (a) a Fixed Rate Note;
- (b) a Floating Rate Note; or

or any other type of Note specified in the relevant Final Terms. Notes may be puttable or callable in accordance with Condition 14.2 or 14.3.

2.4 Issue Price

Notes may be issued at par or at a premium or at a discount, as set out in the relevant Final Terms.

2.5 Hierarchy of conditions

In the event of any inconsistency between the provisions of any Final Terms and these terms and conditions, the provisions of the relevant Final Terms will prevail.

3 Issue procedure

3.1 Wholesale Notes

When CCB NZ has agreed to issue Wholesale Notes, the relevant Tranche of Notes will be constituted and issued by CCB NZ:

- (a) entering into Final Terms in respect of that Tranche; and
- (b) sending to the Registrar an Issue Notice requiring the Registrar to enter the details of the relevant Wholesale Notes in the Register in accordance with the Conditions and the Agency Agreement,

and the Registrar entering such details in the Register in accordance with the Issue Notice.

3.2 Retail Notes

CCB NZ will enter into Final Terms in respect of each Tranche or (in the case of a Series without Tranches) Series of Retail Notes.

When CCB NZ has agreed to issue any Retail Notes, those Retail Notes may be constituted and issued by:

- (i) entering into Final Terms in respect of that Tranche or Series, specifying the relevant issue details in relation to those Retail Notes; and

and the Registrar entering details of the relevant Retail Notes in the Register in accordance with the Conditions and the Agency Agreement.

4 Inspection of Final Terms and other documents

Copies of the Final Terms for any Notes, the Note Deed Poll, and these terms and conditions are available for inspection or upon request by Holders or prospective Holders during normal business hours at the Specified Office of CCB NZ or the Registrar.

5 CCB NZ's obligations on the Notes

5.1 Conditions are binding

Each Note will be issued and held subject to its Conditions and the Note Deed Poll, which shall be for the benefit of and binding on CCB NZ and each Holder and all persons claiming under or through them. Each Holder and all persons claiming under or through them are deemed to have notice of all the Conditions of the relevant Note and all the provisions of the Note Deed Poll.

5.2 Covenant to pay

CCB NZ will, in accordance with the relevant Conditions:

- (a) (other than in the case of a Zero Coupon Note) pay or procure to be paid to each Holder interest on each Note (less any amount required to be deducted under Condition 17) in accordance with its Conditions; and
- (b) on each date on which any Note becomes due to be redeemed pay or procure to be paid to each Holder the Redemption Amount of that Note (less any amount required to be deducted under Condition 17).

5.3 Independent obligations

The obligations of CCB NZ in respect of each Note are separate and independent obligations which the Holder is entitled to enforce independently without having to join any other Holder or any predecessor in title of a Holder.

PART 2 FORM, TITLE AND TRANSFER

6 Form and denomination

6.1 Form

Each Note shall:

- (a) be a registered debt obligation of CCB NZ, constituted by, and owing under, the Note Deed Poll;
- (b) be in uncertificated book entry form;
- (c) have an original tenor of 365 days or more;
- (d) be denominated in New Zealand dollars (unless otherwise specified in the relevant Final Terms); and
- (e) have a face value of NZ\$1.00 or such other amount as may be specified in the relevant Final Terms.

6.2 Specified Principal Amounts

Each Series shall have Specified Principal Amounts for holdings of Notes of that Series, which shall include a minimum principal amount for such holdings and also may include multiples of an amount in excess of such minimum principal amount, in each case as specified in the relevant Final Terms. If required multiples are not specified, then Notes may be held in the minimum principal amount specified or in any principal amount in excess thereof.

If no Specified Principal Amounts are specified in the relevant Final Terms, then the Specified Principal Amounts shall be NZ\$5,000 and multiples of NZ\$1,000 thereafter.

7 Status and ranking

Unless otherwise stated in respect of any Series in the Conditions for that Series, the Notes constitute direct, unconditional and unsecured obligations of CCB NZ, ranking equally among themselves and at least equally with all other present and future unsecured and unsubordinated obligations of CCB NZ, except for liabilities mandatorily preferred by law.

8 Ownership and Register

8.1 Title to Notes

The Notes are debt obligations of CCB NZ, issued in registered form by entries in the Register.

Entry in the Register in relation to a Note is conclusive evidence that the person so entered is the absolute owner of the Note, subject to correction for fraud or error.

8.2 Certificates

At the request of a Holder, or otherwise as required by any applicable law, CCB NZ shall procure the Registrar to issue to that Holder a holding statement or notice of registration in relation to the Notes held by that Holder. Such holding statement or notice of registration shall be in the form agreed between CCB NZ and the Registrar and shall comply with any applicable law.

A holding statement or notice of registration issued in respect of a Note will not constitute a document of title. Entitlement will be determined solely by entry in the Register and, in the case of the beneficial interest in Notes lodged in a Clearing System, the records of that Clearing System.

8.3 Details in the Register

CCB NZ shall at all times while Notes are outstanding cause the Registrar to maintain the Register, which must record in respect of each Note the information specified in Appendix 1 or such other information agreed between CCB NZ and the Registrar.

8.4 Tax and FATCA information required from Holders

- (a) Each Holder must notify the Registrar in writing of its country of residency for Tax purposes and such other information as may be required to determine the payment or withholding obligations of CCB NZ or the Registrar.
- (b) Each Holder must, within ten Business Days of a reasonable request by CCB NZ or an Agent, supply to that person such forms, documentation and other information relating to its status as that person reasonably requests for the purposes of that person's compliance with FATCA and any other law, regulation or exchange of information regime.

8.5 Inspection of Register

The Registrar must disclose to a Holder who so requests any information held on the Register which relates to the Notes registered in the name of that Holder and all other information and matters required by any applicable law.

8.6 Non-recognition of interests

Except as ordered by a court of competent jurisdiction or required by law, CCB NZ and each Agent:

- (a) must treat the person whose name is entered in the Register as the Holder of a Note as the absolute beneficial owner of that Note;
- (b) are not bound to recognise any interest, legal or equitable, in any Note; and
- (c) shall not be affected by any trust (express, implied or constructive) or other equity affecting any Note, or any encumbrance, security or other interest to which any Note may be subject, even if CCB NZ or the Agent (as applicable) has actual notice of any such interest.

8.7 Reliance on Register

Neither CCB NZ nor any Agent shall be:

- (a) required to obtain proof of identity of a Holder or its ownership of Notes; or
- (b) liable to any Holder or former Holder for relying on the Register or for accepting as valid any detail recorded in the Register subsequently found to be forged, irregular or not authentic.

8.8 Correction of errors

Each Agent or CCB NZ may, on such evidence as appears to it to be sufficient, correct errors and remedy omissions in the Register.

8.9 Co-ownership of Notes

Where two or more persons are entered in the Register as holders of the same Note then they are taken to hold the Note as joint tenants with rights of survivorship. The Registrar is not bound to register more than four persons as joint holders of a Note. In the case of joint holders, each holder must provide their name, address and IRD number (if applicable) so that CCB NZ can comply with its reporting obligations under New Zealand tax law, but only one address will be recorded in the Register and only the person whose name is recorded first in the Register is to be entitled to delivery of any statement of holding, notice or other document or communication from CCB NZ or the Registrar.

If two or more persons apply to be registered as tenants in common, the Registrar may, after notifying the persons of its intention to do so, divide the Notes into parcels which represent each person's share. If the Notes cannot be divided into parcels which would comply with Specified Principal Amount requirements of the Notes, the Registrar may refuse the application.

9 Transfer of Notes

9.1 Form of transfer

A Holder may transfer any Note held by it by:

- (a) a written instrument of transfer in any commonly used form that complies with the standard form and procedures of the Registrar and applicable law;

- (b) instructing the Registrar to transfer the Note into the name(s) of the transferee(s) through NZClear in accordance with the standard form and procedures of the Registrar or through any other electronic system or facility approved or designated under applicable law from time to time for the transfer of debt securities; or
- (c) any other method of transfer of marketable securities that is not contrary to any law and that is approved by CCB NZ.

9.2 Requirements for transfers

Each instrument of transfer as referred to in Condition 9.1 must be:

- (a) duly completed, signed by the transferor and lodged with the Registrar;
- (b) accompanied by any evidence (including legal opinions) that the Registrar or CCB NZ reasonably requires to prove the title of the transferor, the transferor's right to transfer the Notes or the identity of the transferor and/or the transferee; and
- (c) if the instrument of transfer is executed by some other person on behalf of the transferor or on behalf of a corporation, accompanied by the authority of that person to execute that transfer.

9.3 Partial transfers

A Holder may transfer part of its holding of Notes. However, no transfer of any partial holding may be made if it would result in the transferor or the transferee holding or continuing to hold Notes with an aggregate principal amount that is not a Specified Principal Amount.

9.4 When transfers effective

Subject to Condition 10.2, title to a Note passes when details of the transfer are recorded in the Register.

9.5 Transfers after Record Date

No Holder may require the transfer of a Note to be registered during the period from a Record Date until the relevant Interest Payment Date, Maturity Date or due date for redemption pursuant to Condition 14.3 or Condition 14.4. This Condition will not prevent the registration of a transfer during the period from a Record Date until the relevant Interest Payment Date (other than the Maturity Date) but, in that case, the interest due on the Interest Payment Date will be paid to the Holder appearing on the Register at the close of business on the relevant Record Date.

9.6 Fees and charges

Neither CCB NZ nor the Registrar shall charge a fee to any Holder for registering transfers or issuing holding statements or notices of registration (but Holders or prospective Holders shall be responsible for any applicable taxes and other governmental charges).

9.7 Selling restrictions

A Holder may only offer for sale or sell any Note in conformity with all applicable laws and regulations in any jurisdiction in which it is offered, sold or delivered. No prospectus, investment statement, product disclosure statement, information memorandum, advertisement or other offering material in respect of any Note may be published, delivered or distributed in or from any country or jurisdiction except under circumstances which will result in compliance with all applicable laws.

Each Holder, by subscribing for or otherwise acquiring Notes, agrees to indemnify CCB NZ for any loss suffered by it as a result of any breach of the selling restrictions referred to in this Condition 9.7.

9.8 Transmission by operation of law

When the right to any Note is acquired by any person other than by transfer (for example on the dissolution, death or bankruptcy of a Holder, under a writ of execution, or following the making of a vesting order by a Government Agency), the Registrar, on the application of that person and on being satisfied of that person's entitlement to be registered as the Holder of that Note, will enter that person's name in the Register as the Holder of that Note.

10 Clearing Systems

10.1 Note held in a Clearing System

Notes may be held in NZClear and/or any other Clearing System specified in the relevant Final Terms. If Notes are held in a Clearing System, the rights of each Holder and any other person holding an interest in those Notes are subject to the rules and regulations of that Clearing System.

CCB NZ is not responsible for anything a Clearing System does or omits to do or for any loss occasioned by the failure of a Clearing System.

10.2 Transfer of interests in Notes held in a Clearing System

Interests in Notes entered into a Clearing System will be transferable only in accordance with the rules and regulations of that Clearing System.

PART 3 INTEREST

11 Fixed Rate Notes

11.1 Application

This Condition 11 applies only to Notes specified in the relevant Final Terms as Fixed Rate Notes.

The relevant Final Terms will contain provisions for the determination of fixed rate interest, including the applicable Interest Rate, Interest Payment Dates and

Maturity Date, and must be read in conjunction with this Condition 11 and Condition 13 for full information on the manner in which interest is calculated on Fixed Rate Notes.

11.2 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear on each Interest Payment Date up to (and including) the Maturity Date, subject to the application of any specified Business Day Convention in accordance with Condition 16.5.

11.3 Fixed Coupon Amount

Unless otherwise specified in the relevant Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date is the Fixed Coupon Amount specified in the relevant Final Terms.

11.4 Calculation of interest for broken periods etc

If interest is required to be calculated for a period other than a Fixed Interest Period or if no Fixed Coupon Amount is specified in the relevant Final Terms, the amount of interest payable for such period for any such holding of Fixed Rate Notes shall be calculated by applying the Interest Rate to the outstanding principal amount of such Fixed Rate Notes, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure in accordance with Condition 13.8.

12 Floating Rate Notes

12.1 Application

This Condition 12 applies only to Notes specified in the relevant Final Terms as Floating Rate Notes.

The relevant Final Terms will contain provisions for the determination of floating rate interest, including the applicable Reference Rate, Margin, Interest Payment Dates and Maturity Date, and must be read in conjunction with this Condition 12 and Condition 13 for full information on the manner in which interest is calculated on Floating Rate Notes.

12.2 Interest on Floating Rate Notes

Each Floating Rate Note bears interest on its outstanding principal amount from (and including) its Interest Commencement Date to (but excluding) its Maturity Date at the Interest Rate.

Interest is payable in arrear:

- (a) on each Interest Payment Date specified in the relevant Final Terms; or
- (b) if no Interest Payment Date is specified in the relevant Final Terms, on each date which falls the number of months or other period specified as the Interest Period in the relevant Final Terms after the preceding Interest Payment Date, or in the case of the first Interest Payment Date, after the Interest Commencement Date,

in each case subject to the application of any specified Business Day Convention in accordance with Condition 16.5.

12.3 Interest Rate determination

The Interest Rate for any Floating Rate Notes for each Interest Period is the sum of the Margin and the Reference Rate specified in the relevant Final Terms.

The Calculation Agent must determine the Interest Rate for any Floating Rate Note for an Interest Period in accordance with the Conditions (including the relevant Final Terms).

12.4 Bank Bill Rate determination

If “**Bank Bill Rate**” is specified in the relevant Final Terms as the applicable Reference Rate for an Interest Period, or if no Reference Rate is specified in the relevant Final Terms, the Reference Rate shall be the FRA settlement rate administered by the New Zealand Financial Markets Association (NZFMA) (or any other person which takes over administration of that rate), expressed as a percentage and rounded to the nearest four decimal places (with 0.00005 per cent. being rounded up), for bank accepted bills having a tenor closest to the Interest Period as displayed at or around 10:45am on page BKBM of the Thomson Reuters Screen (or its successor page) on the first day of that Interest Period.

However, if the “FRA” rate is not displayed at or around 10:45am on that day, or if it is displayed but the Calculation Agent determines that there is an obvious error in that rate, “**Bank Bill Rate**” means the rate determined by the Calculation Agent in good faith at or around 10:45am on that day, having regard, to the extent possible, to the mid rate of the rates otherwise bid and offered by two or more leading banks in the New Zealand interbank market for bank accepted bills of that tenor at or around that time.

12.5 Bank Bill Rate fallback interest rate

Unless otherwise specified in the relevant Final Terms, if the Calculation Agent is unable to determine the Interest Rate for any Floating Rate Note for an Interest Period for which Bank Bill Rate is the applicable Reference Rate in accordance with Condition 12.4, the Interest Rate for that Floating Rate Note for that Interest Period is the same as the Interest Rate for that Floating Rate Note for the most recent previous Business Day on which a “BKBM” rate has been published and none of the circumstances as referred to in Condition 12.4 exist.

12.6 Calculation of interest for broken periods

If interest is required to be calculated for a period other than an Interest Period, the amount of interest payable for such period for any holding of Floating Rate Notes shall be calculated by applying the Interest Rate to the outstanding principal amount of such Floating Rate Notes, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure in accordance with Condition 13.8.

12.7 Interpolation

If the relevant Final Terms state that "Linear Interpolation" applies to an Interest Period, the Calculation Agent must determine the Interest Rate for that Interest Period using straight line interpolation by reference to two Bank Bill Rates or other Reference Rates, in each case, as specified in the relevant Final Terms.

The first rate must be determined as if the Interest Period were the period of time for which rates are available next shorter than the length of the Interest Period (or any alternative Interest Period specified in the relevant Final Terms).

The second rate must be determined as if the Interest Period were the period of time for which rates are available next longer than the length of the Interest Period (or any alternative Interest Period specified in the relevant Final Terms).

13 General provisions applicable to interest

13.1 Maximum or Minimum Interest Rate

If the relevant Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Interest Rate in respect of such Interest Period determined in accordance with Condition 12 is less than the specified Minimum Rate of Interest, the Interest Rate for such Interest Period shall be the specified Minimum Rate of Interest.

If the relevant Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Interest Rate in respect of such Interest Period determined in accordance with Condition 12 is greater than the specified Maximum Rate of Interest, the Interest Rate for such Interest Period shall be the specified Maximum Rate of Interest.

13.2 Calculation of Interest Rate and interest payable

The Calculation Agent must, as soon as practicable after determining the Interest Rate in relation to each Interest Period for each holding of Floating Rate Notes, calculate the amount of interest payable for the relevant Interest Period in respect of the outstanding principal amount of each holding of Notes.

The amount of interest payable for any holding of Floating Rate Notes is calculated by multiplying the product of the Interest Rate for that Interest Period and the outstanding principal amount of such Floating Rate Notes by the applicable Day

Count Fraction, and rounding the resultant figure in accordance with Condition 13.8.

The rate determined by the Calculation Agent must be expressed as a percentage rate per annum.

13.3 Determination and calculation of other amounts

If the relevant Final Terms specifies that any other amount is to be calculated by the Calculation Agent, the Calculation Agent must, as soon as practicable after the time at which that amount is to be determined, calculate the relevant amount in the manner specified in the Conditions (including the relevant Final Terms).

13.4 Notification of Interest Rate, interest payable and other things

The Calculation Agent must notify CCB NZ, the Registrar and any Holder which requests it of:

- (a) each Interest Rate, the amount of interest payable and each other amount, item or date calculated or determined by it together with the relevant Interest Payment Date; and
- (b) any amendment to any amount, item or date referred to in paragraph (a) arising from any extension or reduction of any relevant Interest Period or calculation period.

The Calculation Agent must give notice under this Condition as soon as practicable after it makes its determination or, as applicable, after a relevant Holder's request.

The Calculation Agent may amend its determination of any amount, item or date (or make appropriate alternative arrangements by way of adjustment) as a result of the extension or reduction of the Interest Period without prior notice but must notify CCB NZ and the Registrar as soon as practicable after doing so.

13.5 Determination and calculation final

Except where there is an obvious error, any determination or calculation which the Calculation Agent makes in accordance with the Conditions is final and binds CCB NZ, each Agent and each Holder.

13.6 Late payment of Notes

If the Redemption Amount payable in respect of a Note (other than a Zero Coupon Note) is not paid when due, interest continues to accrue on that Note (both before and after any demand or judgment) at the Interest Rate then applicable to the outstanding principal amount of the Note or any other default rate specified in the relevant Final Terms until the date on which the relevant payment is made to the relevant Holder.

If the Redemption Amount payable in respect of any Zero Coupon Note is not paid when due, the Redemption Amount is an amount equal to the sum of:

- (a) the Reference Price; and
- (b) the amount resulting from the application of the Accrual Yield (compounded annually) to the Reference Price from (and including) the Issue Date to (but excluding) the date on which all sums due in respect of such Note are received by or on behalf of the relevant Holder.

13.7 Day Count Fractions

Amounts payable in respect of the Notes may be calculated by reference to, or adjusted in accordance with, Day Count Fractions as specified in the relevant Final Terms. For the purposes of these terms and conditions:

“Day Count Fraction” means, in respect of the calculation of an amount of interest of any Note for any period of time (**“Calculation Period”**), the day count fraction specified in these terms and conditions or the relevant Final Terms and:

- (a) if **“Actual/Actual (ICMA)”** is so specified, means:
 - (i) where the Calculation Period is equal to or shorter than the Regular Period during which it falls, the actual number of days in the Calculation Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year; and
 - (ii) where the Calculation Period is longer than one Regular Period, the sum of:
 - (A) the actual number of days in such Calculation Period falling in the Regular Period in which it begins divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods in any year; and
 - (B) the actual number of days in such Calculation Period falling in the next Regular Period divided by the product of (1) the actual number of days in such Regular Period and (2) the number of Regular Periods normally ending in any year;
- (b) if **“Actual/365”** or **“Actual/Actual (ISDA)”** is so specified, means the actual number of days in the Calculation Period divided by 365 (or, if any portion of the Calculation Period falls in a leap year, the sum of:

- (a) the Holder has given at least 15 days' (and no more than 30 days') (or any other period which may be specified in the relevant Final Terms) notice, to CCB NZ and the Registrar by delivering to the Specified Office of the Registrar during normal business hours a completed and signed redemption notice in the form obtainable from the Specified Office of the

14.3 Early redemption at the option of CCB NZ (issuer call)

If the relevant Final Terms state that CCB NZ may redeem all or some of the Notes of a Series before their Maturity Date under this Condition, CCB NZ may redeem so many of those Notes specified in the relevant Final Terms for an amount equal to the Redemption Amounts for the Notes and any interest accrued on them to (but excluding) the redemption date.

However, CCB NZ may only do so if:

- (a) CCB NZ has given at least 30 days' (and no more than 60 days') (or any other period specified in the relevant Final Terms) notice to the Registrar and the Holders; and

- (b) CCB NZ is still obliged to pay such additional amounts despite taking reasonable measures available to it,

CCB NZ may at its option redeem all the Notes, but not some only, on any Interest Payment Date (if the Notes are Floating Rate Notes or otherwise if so specified in the relevant Final Terms) or at any time (in any other case) for an amount equal to

the Redemption Amounts for the Notes and any interest accrued on them to (but excluding) the redemption date.

However, CCB NZ may only do so if:

14.5 Effect of notice of redemption

Any notice of redemption given under this Condition 14 is irrevocable.

14.6 Purchases

CCB NZ may at any time purchase Notes in the open market or otherwise and at any price. All unmaturing Notes purchased under this Condition 14.6 are not extinguished (unless held beneficially by CCB NZ at the Maturity Date) and to the extent held beneficially by CCB NZ prior to that Maturity Date may be held, resold or cancelled at the discretion of CCB NZ, subject to compliance with any applicable laws. Any Notes so cancelled may not be reissued or resold and the obligations of CCB NZ in respect of such cancelled Notes shall be discharged.

PART 5 UNDERTAKINGS

15 Register and Agents

So long as there are any outstanding Notes, CCB NZ will:

PART 6 PAYMENTS

16 Payments in relation to Notes

16.1 Payment to registered Holder

Payment of the Redemption Amount of, and interest (if any) on, a Note (less any amount required to be deducted in accordance with Condition 17) shall be made to the person whose name appears in the Register as the Holder of the Note on the Record Date in respect of the relevant payment. If more than one person is so named in the Register, payment will be made to the first person so named.

16.2 Payment of principal

CCB NZ shall pay the Redemption Amount (together with any accrued interest and other amounts due in respect of the Note on the relevant redemption date) for a Note, and all other amounts due in respect of the Note, less any amount required to be deducted in accordance with Condition 17, to the entitled Holder in accordance with Condition 16.1 on the Maturity Date or other due date for redemption in accordance with the Conditions.

16.3 Payment of interest

CCB NZ shall pay interest on any interest-bearing Note (less any amount required to be deducted in accordance with Condition 17) to the entitled Holder in accordance with Condition 16.1 on the relevant Interest Payment Date.

16.4 Payments through Paying Agent

Unless otherwise specified in the relevant Conditions, all payments from CCB NZ to Holders in relation to the Notes shall be effected by the Paying Agent, and CCB NZ shall ensure that the Paying Agent is placed in funds in sufficient time to enable it to make such payments.

16.5 Business Day Conventions

Dates for payment or by reference to which calculations will be made may be adjusted by reference to the applicable Business Day Convention as specified in

the relevant Final Terms and, if so specified, those dates will be modified accordingly. For the purposes of these terms and conditions:

“Business Day Convention” means a convention for adjusting any date if it would otherwise fall on a day that is not a Business Day. The following Business Day Conventions, where specified in the relevant Final Terms, in relation to any date applicable to any Note, have the following meanings:

- (a) **“Following Business Day Convention”** means that the date is postponed to the first following day that is a Business Day;
- (b) **“Modified Following Business Day Convention”** means that the date is postponed to the first following day that is a Business Day unless that day falls in the next calendar month in which case that date is brought forward to the first preceding day that is a Business Day;
- (c) **“Preceding Business Day Convention”** means that the date is brought forward to the first preceding day that is a Business Day; and
- (d) **“No Adjustment”** means that for the purposes of any calculations the relevant date must not be adjusted in accordance with any Business Day Convention; however Holders shall not be entitled to any payment due on such date until the next following Business Day nor to any interest or other sum in respect of such postponed payment.

16.6 Method of payment (Notes held in a Clearing System)

All payments in respect of Notes held in a Clearing System shall be made by CCB NZ crediting on the relevant payment date the amount due to the account of the Paying Agent or other account previously notified by the Paying Agent or the Clearing System to CCB NZ in accordance with the Agency Agreement and the Clearing System’s rules and regulations.

16.7 Method of payment (Notes not held in a Clearing System)

All payments in respect of Notes which are not held in a Clearing System by the relevant Holder shall be paid by the Paying Agent by direct credit to a bank account specified by the Holder on the Record Date for the relevant payment in accordance with Condition 16.8.

16.8 Notice of specified bank account or mailing address

A Holder may specify a bank account to which payments will be made on the Notes at the time the Holder subscribes for or is transferred any Notes, or at any other time by notice in writing to the Registrar. The bank account so specified must be an account maintained with a bank or financial institution in New Zealand.

A Holder may at any time amend any notice so given by further notice in writing to the Registrar, but no amendment of a notice shall have effect unless another bank account or address is specified by that Holder.

No notice given under this Condition 16.8 will have effect in respect of any payment unless received by the Registrar on or before the Record Date for the relevant payment. Any notice given under this Condition 16.8 will be deemed to be automatically cancelled upon transfer of all of a Holder's Notes or, in the case of a partial transfer, in respect of the Notes transferred. A notice from one of several Holders of the same Notes is deemed to be given by all such Holders.

If at any time a Holder has provided neither a current address nor current details of a bank account to the Registrar, any payments in respect of any Note to that Holder shall be deemed to be unclaimed money for the purpose of Condition 16.9.

16.9 Unclaimed money

If any payment made by CCB NZ to any Holder into the bank account, last specified by that Holder to CCB NZ or the Registrar is returned unclaimed, the amount concerned will (unless CCB NZ or the Registrar has in the meantime received notice of a change of address or bank account to be entered in the Register) be retained by the Registrar to be held by it for the relevant Holder without any obligation to invest or pay interest on that amount.

Any money not claimed within a period of six months from the original date of payment must be returned to CCB NZ and may be retained by CCB NZ unless the relevant Holder produces evidence satisfactory to CCB NZ of its entitlement to such amount. CCB NZ will have no liability in respect of the unclaimed amount if it remains unclaimed five years after the original date of payment.

16.10 Payments subject to laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives.

17 Taxation

17.1 No set-off, counterclaim or deductions

Except as otherwise specified in the Conditions, all payments in respect of the Notes must be made in full without set-off or counterclaim, and (except to the extent required by law or as provided in this Condition 17) without any withholding or deduction in respect of Taxes.

17.2 Withholding tax

If any payment on or in relation to a Note is required by applicable law to be made subject to any withholding or deduction for, or on account of, any Taxes, CCB NZ shall make such payment, or procure that such payment is made, subject to such withholding or deduction, and shall account for the amount so required to be withheld or deducted, or procure that such amount is accounted for, to the relevant authorities. In particular:

- (a) Subject to Condition 17.3, New Zealand non-resident withholding tax will be deducted from payments of interest (or payments deemed by law to be

interest) to a Holder who receives such payments subject to the New Zealand non-resident withholding tax rules; and

- (b) New Zealand resident withholding tax will be deducted from each payment of interest (or payments deemed by law to be interest) to a Holder who is resident in New Zealand for income tax purposes or who otherwise receives such payments subject to the New Zealand resident withholding tax rules, unless, on or before the Record Date for the relevant payment, the Holder notifies the Paying Agent or CCB NZ that it has RWT-exempt status and provides its IRD number to allow for that status to be verified on the electronic register maintained by the Commissioner of Inland Revenue.

17.3 Approved Issuer Levy

In respect of any payment of interest (or payment deemed by law to be interest) to a Holder who receives such payments subject to the New Zealand non-resident withholding tax rules, where payment of Approved Issuer Levy would remove the liability to deduct non-resident withholding tax, and if CCB NZ is lawfully able to pay Approved Issuer Levy then CCB NZ, or the Paying Agent on its behalf, shall (unless otherwise directed in writing by the relevant Holder, in which case Condition 17.2(a) will apply) pay the Approved Issuer Levy to the appropriate authority and:

- (a) if the relevant Final Terms state that payment of Approved Issuer Levy is on the Issuer's account, then the amount of any Approved Issuer Levy payable by CCB NZ under this Condition 17.3 must not be deducted from the interest payment that the payment of Approved Issuer Levy relates to; and
- (b) in any other case, the Holder agrees that CCB NZ or Paying Agent shall deduct the amount paid from the interest (or deemed interest) payable to that Holder in lieu of deducting New Zealand non-resident withholding tax at the rate otherwise applicable from that payment.

In the event of any change of law to the Approved Issuer Levy regime, CCB NZ reserves the right not to pay Approved Issuer Levy.

17.4 No gross up

CCB NZ will not be required to and will not make any additional payment by way of gross-up or otherwise with respect to the deduction or withholding from any payment made in respect of a Note pursuant to this Condition 17.

17.5 Maximum rate

Deductions of non-resident or resident withholding tax will be made at the maximum rates from time to time applicable unless a Holder provides evidence to CCB NZ or the Paying Agent (acceptable to it) that a lesser rate or an exemption is applicable.

17.6 Tax indemnity from Holders

If, in respect of any Note, the Paying Agent or CCB NZ becomes liable to account for withholding Taxes, or make any payment of, or on account of, Tax payable by

the Holder, then the Paying Agent and CCB NZ shall be indemnified by the relevant Holder in respect of such liability. Any moneys paid by the Paying Agent or CCB NZ in respect of such liability may be recovered from the Holder as a debt due to the Paying Agent or CCB NZ and may be withheld from any further payments (if any) to that Holder. Nothing in this Condition will prejudice or affect any other right or remedy of the Paying Agent or CCB NZ.

17.7 Tax status

CCB NZ and each Agent shall be entitled for the purposes of this Condition 17 to rely, without further enquiry, upon any evidence produced or statement made by, or on behalf of, a Holder in relation to that Holder's tax status or tax residency, and to regard the Holders entered in the Register as the only beneficial owners of, or the only persons who beneficially derive interest under, the relevant Notes.

PART 7 EVENTS OF DEFAULT

18 Events of Default

18.1 Event of Default

An Event of Default occurs in relation to any Notes if:

- (a) **(payment default)** CCB NZ fails to pay any interest in respect of the Notes within 14 calendar days of the relevant due date or any principal in respect of the Notes within 7 calendar days of the relevant due date;
- (b) **(other default)** CCB NZ defaults in performance or observance of any of its obligations under any Notes of the relevant Series (other than those specified in paragraph (a) above), which default is incapable of remedy or, if capable of remedy, is not remedied within 30 calendar days after notice requiring such default to be remedied has been given to CCB NZ by the relevant Holder;
- (c) **(Parent Company Guarantee)** the Parent Company Guarantee is not, or is claimed by CCB not to be, in full force and effect;
- (d) **(insolvency)** CCB NZ becomes unable to pay its indebtedness for borrowed money as it falls due or stops payment of its debts generally;
- (e) **(winding up/cessation of business)** an order is made or an effective resolution is passed for the winding up of CCB NZ or CCB NZ ceases to carry on general banking business in New Zealand or ceases to be registered as a bank in New Zealand other than (in any such case) under or in connection with a scheme of amalgamation or reconstruction not involving a bankruptcy or insolvency or for any winding up in the process of a merger, reconstruction or amalgamation in which the surviving entity has assumed or will assume expressly or by law all the obligations of CCB NZ in respect of the Notes and is duly authorised as a registered bank in New Zealand; or
- (f) **(moratorium)** a moratorium is declared in respect of any indebtedness of CCB NZ for borrowed money.

18.2 Consequences of an Event of Default

Subject to Condition 18.3, if any Event of Default occurs and continues unremedied in relation to the Notes of any Series or any of them, then any Holder of Notes then outstanding in that Series may declare by notice to CCB NZ (with a copy to the Registrar) that the Redemption Amount (together with any accrued interest) applicable to each Note held by it is either payable immediately or on such other date specified in the notice.

The making of this declaration gives immediate effect to the provisions of this Condition.

18.3 Rectification

A Holder's right to declare Notes due and payable terminates if the situation giving cause to it has been cured before such right is exercised.

PART 8 GENERAL

19.1 Role of Agents

In acting under the relevant Agency Agreement and in connection with the Notes, the Agents act solely as agents of CCB NZ and do not assume any obligations towards or relationship of agency or trust for or with any of the Holders.

- (a) sanction either unconditionally or upon any conditions the release of CCB NZ from the payment of all or any part of the moneys payable pursuant to the Conditions or the Notes;
- (b) sanction any request from CCB NZ for the exchange of the Notes for, or the conversion of the Notes into, shares, stock, debentures, debenture stock or other obligations or securities of CCB NZ or any other company formed or to be formed;
- (c) postpone or, with the concurrence of CCB NZ, to accelerate the day when the principal amount of any Notes becomes payable and to suspend or postpone for a time the payment of the principal amount or interest on any Notes;
- (d) sanction any alteration, release, modification, waiver, variation, or compromise or any arrangement relating to the rights of the Holders against CCB NZ or its assets however those rights arise;

- (e) assent to any amendment to the Conditions applicable to any Series or the Note Deed Poll (including the Meeting Provisions and any deed, document or instrument in connection with the foregoing) proposed or agreed to by CCB NZ (and, where required, the Trustee) and to authorise CCB NZ (and the Trustee, if applicable) to execute any supplemental deed or other document or instrument embodying any such amendment;
- (f) give any sanction, assent, release or waiver of any breach or default by CCB NZ (or the Trustee, if applicable) under any of the provisions of the Conditions or the Note Deed Poll (and any deed, document or instrument in connection with the foregoing);
- (g) sanction any scheme for the reconstruction of CCB NZ or for the amalgamation of CCB NZ with any other corporation where such sanction is necessary;
- (h) subject to the Conditions, remove any Trustee and to approve the appointment of or appoint a new Trustee;
- (i) consent to, approve, authorise and direct any applicable Trustee in respect of any of the matters referred to in any of the foregoing paragraphs of this Regulation 14.1, or as to any other matter which may be necessary to carry out and give effect to any Extraordinary Resolution; and
- (j) authorise or direct CCB NZ (and if applicable, the Trustee) to execute any supplemental deed or other document or instrument embodying such sanction, authority or approval, assent, release, waiver, direction or request.

14.2 **Binding on Holders**

An Extraordinary Resolution passed by Holders in accordance with these Meetings Provisions will be binding upon all the Holders whether or not they were present or entitled to be present at the relevant meeting, or signed the relevant resolution pursuant to Regulation 16, as the case may be, and all Holders will be bound to give effect to that resolution. The passing of any such resolution will, as between CCB NZ and the Holders, be conclusive evidence that the circumstances justify the passing thereof. Notwithstanding the foregoing:

- (a) a resolution which affects a particular Holder only, rather than the rights of all Holders generally, or of a particular Class of Holders generally, will not be binding on such Holder unless such Holder agrees to be bound by the terms of such resolution;
- (b) a resolution which affects one Class only of Notes is deemed to have been duly passed if passed at a properly convened and held meeting of the Holders of that Class or pursuant to Regulation 16;
- (c) a resolution which affects more than one Class of Notes, but does not give rise to a conflict of interest between the Holders of any of the Classes so affected, is deemed to have been duly passed if passed at a single properly convened and held meeting of the Holders of all Classes so affected or pursuant to Regulation 16; and

- (d) a resolution which affects more than one Class of Notes and gives or may give rise to a conflict of interest between the Holders of any of the Classes so affected is deemed to have been duly passed if passed at separate properly convened and held meetings of the Holders of each Class so affected or pursuant to Regulation 16.

14.3 **Reliance on advice**

CCB NZ and the Trustee may rely on, and the Holders and the Registrar for the relevant Class shall be bound by, a legal opinion from a leading law firm in New Zealand to the effect that a resolution affects one Class only or, if it affects more than one Class of Notes, does not give rise to a conflict of interest, for the purposes of determining the meeting or meetings which need to be held for the purposes of Regulation 14.2.

15 **MINUTES TO BE KEPT**

Minutes of all resolutions and proceedings at every meeting will be made by CCB NZ or, if CCB NZ is not present at the meeting, by a person appointed by the chairman of the meeting. Minutes must be entered in books from time to time provided for that purpose by CCB NZ. Any such minutes, if signed or apparently signed by the chairman of the meeting at which a resolution was passed or proceedings had or by the chairman of the next meeting of Holders, will be prima facie evidence of the matters recorded in those minutes. Until the contrary is proved every meeting in respect of which minutes have been made will be deemed to have been properly held and convened and all resolutions passed or proceedings had at that meeting to have been properly passed and had.

16 **RESOLUTIONS IN WRITING**

16.1 **Extraordinary Resolution**

Anything that may be done by Holders by a resolution or Extraordinary Resolution passed at a meeting of Holders may be done by a resolution in writing signed by not less than 75% of the Holders having the right to vote on that resolution, holding in aggregate Notes conferring the right to cast not less than 75% of the votes which could be cast on that resolution.

16.2 **Counterparts**

Any such resolution may consist of several documents in similar form, each signed by one or more Holders. The resolution is passed when the last Holder signs the counterpart resolution (as evidenced by the appearance of the signature itself).

16.3 **Accidental omission**

The accidental omission to give a copy of the resolution to, or the non-receipt of the resolution by, any Holder will not invalidate a resolution in writing made in accordance with Regulation 16.1.

16.4 **Execution**

Any such resolution may be signed by a Holder, or an agent or attorney of the Holder duly authorised in writing, or if the Holder is a company, by a director, or by an attorney so authorised by the company.
