

### **Other material information – Nominal value of 2019/2020 share issue**

The Board is currently working through a process to determine the nominal value of Shares that are proposed to be issued for the 2019/2020 Season (**2019/2020 Shares**). No decision as to that nominal value has been made by the Board at the date of the product disclosure statement relating to this offer. However, the nominal value of the 2019/2020 Shares is likely to be higher than the nominal value per Share currently specified in DGC's constitution. Any future increase or decrease in the nominal value of Shares of the same class will apply equally to all Shares of the same class, including Shares issued pursuant to this offer.
